A BEACON OF HOPE: ROTARY CLUB OF SURAT'S MEDICAL CAMP IN MOKHAMAL

On the 1st of October, 2023, the Rotary Club of Surat set out on a mission of compassion and service in the tribal village of Mokhamal, located in the heartland of the Dang district. This initiative, a medical checkup camp, reflected our club's commitment to making a difference in the lives of those less fortunate. This initiative was made possible through a strategic partnership with the Family Physician Association (FPA) Surat. The collaboration allowed us to pool resources and expertise, amplifying our impact on the underserved community.

Leading this mission was our very own Rtn. Dr. P.P. Mistry, whose dedication to the cause is truly admirable. A team of 16 doctors and 2 Ayurvedic practitioners joined him, selflessly offering their time and expertise to serve the marginalized community.

The success of this venture hinged on the tireless efforts of our volunteers. Among them were President Rtn. Sandip Nanavati, Hon. Secretary Rtn. Jai Mistry, IPP Rtn. CA Tejas Gandhi, Rtn. Dr. Neeta Gandhi, Health Camp Coordinator Rtn. Kundan Shah, Rtn. Daksha Shah, Rtn. Dipak Gandhi, Rtn. Nilesh Jariwala and R/p. Reshma Jariwala.

Special recognition goes to Rtn. Raj Jariwala for his crucial role in arranging the camp at Mokhamal and ensured a seamless and effective execution of the event.

We were also delighted to have our RYE Inbound Student Mr. Finn as a volunteer. His participation added a unique perspective to our event and truly represented the international spirit of Rotary's service. Together, we provided medical checkups for approximately 370 individuals and distributed much-needed medicines and eyeglasses.

Our outreach not only delivered medical relief but also instilled hope in the residents of Mokhamal. It demonstrated the power of collective action and served as a reminder that together, we can create a brighter and healthier future for all.

This medical camp stands as a shining example of what can be achieved when communities unite in compassion and service - a reflection of our motto of Rotary: "Service Above Self."

FROM GRASSROOTS TO GREATNESS NURTURING COMMUNITIES AND FUELLING ECONOMIES

- Rtn. Jilpa Sheth

Community development is a broad initiative aimed at enhancing the overall well-being of communities. But what does this entail? It goes beyond financial prosperity and focuses on creating environments conducive to healthy, educated, and fulfilling lives. This involves various aspects, including education, healthcare, social services, economic development, and sustainability. And who better to lead these efforts than Rotary, a pioneer in promoting community and economic development through services.

Education is often seen as the cornerstone of this development. Quality education breaks the poverty cycle, empower individuals with knowledge, and open doors to better opportunities. Healthcare services are another fundamental aspect of community development. By providing medical services, clinics, and awareness campaigns, communities can ensure that every member receives the care they need. This not only enhances the quality of life but also boosts economic productivity. Social services that promote social cohesion, such as community centers, support groups, and cultural events, foster a sense of belonging and unity. They create environments where individuals feel valued and supported.

Economic development is intertwined with community development. A flourishing economy provides the financial stability required to support vital community services. Conversely, accessible services boost economic productivity by creating a healthy and educated workforce. Entrepreneurship support services like business training, access to microfinance, and mentorship programs can lead to the creation of small businesses that drive local economies. Empowering individuals to start their ventures contributes to economic growth. Skill development services enhance employability by equipping individuals with relevant skills through training programs and vocational services. A skilled workforce attracts businesses, stimulates job creation, and ultimately strengthens the local economy.

Access to banking and financial services is pivotal for economic growth. Savings, credit, and insurance services provide individuals and businesses with the financial tools they need to invest, expand, and prosper. Infrastructure services form the backbone of economic development. Basic infrastructure including roads, utilities, and technology ensures efficient transportation of goods and services, encourages investment, and fosters economic diversification.

In today's world, sustainability is a key component of community development. Services that promote environmental conservation and responsible resource management ensure that communities have a healthy and resilient future.

The synergy between community and economic development through services is undeniable. When communities have access to essential services, individuals are healthier, better educated, and more economically productive. In turn, a booming local economy provides the resources needed to maintain and expand these vital services. Moreover, community and economic development through services empower individuals to take control of their futures. They foster self-reliance and resilience, reducing dependency on external assistance.

Rotary plays an instrumental role in promoting community and economic development through services. As we ponder the remarkable influence Rotary has exerted on communities globally, it's crucial to remember that our voyage of service is still ongoing. United, we can persist in our efforts to serve, empower, and elevate, making certain that the dream of dynamic, robust, and flourishing communities is realized for future generations.

May the ethos of Rotary motivate us to continue effecting significant change in people's lives worldwide!

ROTARY'S PURSUIT OF EXCELLENCE: A SPOTLIGHT ON DR. AJAY P. MAHAJAN'S CONTRIBUTIONS

In a recent display of Rotary's commitment to global service, Past President Rtn. Dr. Ajay Mahajan undertook a comprehensive assessment of a Rotary Foundation Global Grant project during his visit to Dehradun. Dr. Mahajan's extensive expertise and invaluable insights were instrumental in identifying the project's strengths and areas for improvement. His commitment to excellence played a crucial role in the thorough evaluation of the project. We are pleased to report that Dr. Mahajan has successfully communicated his findings to the TRF Trustees, ensuring our project continues to meet the highest standards of impact and service.

We extend our heartfelt gratitude to Dr. Ajay P. Mahajan for his invaluable contributions. His efforts are paving the way for a brighter future for our community and beyond, truly embodying Rotary's motto: "Service Above Self." We look forward to sharing more updates about our ongoing projects in future editions of our magazine.

ROTARY INFORMATION

The first four Rotarians (from left): Gustavus Loehr, Silvester Schiele, Hiram Shorey and Paul P. Harris, circa 1905-12.

From Room no. 711 to Global Service – The Inception of Rotary International On February 23, 1905, Paul Harris, Gustavus Loehr, Silvester Schiele and Hiram Shorey gathered at Loehr's office in Room 711 of the Unity Building in downtown Chicago. This was the first Rotary Club meeting. They decided to call the new club "Rotary" after the practice of rotating meeting locations.

A Glimpse into the Founding Meeting 1905

This meeting marked the founding of the first Rotary Club. They chose the name Rotary because of the initial practice of rotating meeting locations among member's offices. Since then Rotary International has grown inti global organization with thousands of clubs worldwide dedicated to service and community involvement at large. The concept of rotating meeting locations is evolved over the years, but the name 'Rotary' has remained symbolizing the commitment of the organization in extending networking engagements.

PEOPLE OF ACTION - WEEKLY PROJECT NUTRITIOUS FOOD DISTRIBUTION

A Bal Angaanwadi is a vital establishment that plays crucial role in the early childhood development and care of the children below 6 years. Every week, the Child Aanganwadi Food drive serves a beacon of hope, raising awareness and providing essential nutrition to these innocent youngsters.
