The distribution was coordinated and volunteered by Rtn. Purnima Gandhi and Rtn. Raj Jariwala. The overall well-being for the pregnant women, making them understand to stay active and maintain a healthy lifestyle during their pregnancy journey was taken care of. Our Club expresses our sincere appreciation to all its members for coming forward and supporting the cause of Healthy Motherhood.

ROTARY INFORMATION

The bell symbolizes order and discipline, it is the one that marks the working time. The use of the Rotary bells started as follows:

In 1922 a big contest of Rotarians' attendance to meetings was organized between the Rotary Clubs of the United States, with a condition that the loser clubs conceded a prize to the winner. The winner, the Rotary Club of New York was given as a prize a patrol vessel very popular of the New York zone, which was installed over a wooden base originally from the "Victory" ship, the head ship of Admiral Nelson's squadron in the Trafalgar Battle.

Since then, the bell used in Rotary meetings started to represent, as on the ships, order, discipline and the time to guide us through the weekly hour and a half meeting.

The bell informs us with its sound the beginning of the Rotary meeting, at which time people present should stand, same as at the end, in order to salute the national and Rotary flags

PEOPLE OF ACTION - WEEKLY PROJECT NUTRITIOUS FOOD DISTRIBUTION

A Bal Anganwadi is a vital establishment that plays crucial role in the early childhood development and care of the children below 6 years. Every week, the Child Anganwadi Food drive serves a beacon of hope, raising awareness and providing essential nutrition to these innocent youngsters.

On the 2nd December 2023 and 09 December 2023, both the Saturdays the nutritious food was made possible through the generous sponsorship of Rtn. Purnima Gandhi and Rtn. Deepak Gandhi. The initiative was volunteered by Rtn. Purnima Gandhi. As Rotarians we live by mantra 'We share because we care'. For these children, Saturdays are eagerly awaited, filled with dreams of delightful surprises in the form of a variety of delicious and nutritious meals.

This act exemplifies Rotary Club's unwavering commitment to uplift these young souls in the best possible ways, offering the youngest members of our community a chance at brighter future.

Investing in the nutrition and well-being of these children is an investment in the future of humanity. By providing them with the nourishment they need, we empower them to reach their full potential and contribute to society in meaningful ways paving the way for a brighter and promising tomorrow for all.
