## TEAMWORK: THE FOUNDATION OF SERVICE AND SOCIAL BETTERMENT

Behind every successful service project lies the strength of teamwork. When individuals come together with a common purpose, their collective efforts create a far greater impact than anyone could achieve alone. In Rotary, teamwork is not merely about sharing responsibilities; it is about sharing a vision to serve humanity and improve the lives of those in need.

Every member brings unique skills, ideas, and experiences to the table. By working together, Rotarians can identify community needs, plan effective projects, and implement meaningful solutions. Whether it is supporting education, providing healthcare assistance, protecting the environment, or helping underprivileged families, teamwork enables us to reach more people and create lasting change.

Service to the needy is one of the noblest responsibilities we can undertake. A helping hand, a kind gesture, or a community project may seem small, but when multiplied through teamwork, these efforts transform lives and bring hope to many. Such initiatives not only uplift individuals but also contribute to building a stronger, healthier, and more compassionate society.

As we move forward, let us continue to work together with dedication, unity, and a spirit of service. Through teamwork and selfless action, we can make a meaningful difference and contribute towards the betterment of society, one project and one life at a time.

## ROTARY INFORMATION : RI PRESIDENT MESSAGE

**UNITE  
FOR  
GOOD**

Rotary 

As my year as president of Rotary International comes to a close, I offer my heartfelt thanks to each member of our global Rotary family. Your kindness, warmth, and dedication have changed my life.

During this year, I had the privilege of traveling across our world, from San Francisco, birthplace of the United Nations, to the innovative Rotary clubs of Nigeria. In every place, I saw Rotary members and our partners working side by side to create

lasting, positive change, reminding me that our strength lies in shared purpose. That spirit leads naturally to a simple truth: Rotary is not something we attend, but something we do. We are not spectators. We act, and through that action, we transform our communities and ourselves.

As we continue this work, we must keep our focus on building conditions for peace. Rotary is, at its core, a peace machine. But maintaining that machine requires intention, commitment, and steady effort. That same resolve is needed now as we push toward polio eradication. The final mile is often the hardest, but we cannot falter in our promise to the children of the world.

You have shown that when we Unite for Good, there is no challenge we cannot meet if we stand together. Let us carry this momentum forward with courage, compassion, and an unwavering commitment to the safety and prosperity of all.
