Nature Walk

With a little attention to learning the skills to handle the mind, you can transform your life. Through the breath, you drop the negativity on the outside and you automatically connect to peace, joy and strength that is inside. Our mind is like a crazy monkey unsettling us always! If we know how to manage this craziness, we can conquer the world and to settle the unsettle minds let us take a nature walk.

Unleashing the power of mindfulness and beyond by Dr. Aashka Jani (Monday to Friday- 7:00 am to 8:00 am)

She is working as a Chemistry teacher in Allen Carrier Institute and has published *2 books* on Pharmaceuticals and Quality assurance. She has also published *14 research papers* in different international journals, guided 8 M.pharm students for their research in Master's degree.

Moreover she is in the Art of Living for more than 20 years and has been serving as an *Art of Living* faculty for more than a decade now. Currently she is "State Youth Coordinator of Gujarat". She is leading the Rajkot Happiness Gang with many young volunteers who want to serve the society under the vision of Gurudev Sri Sri Ravi Shankar. Various creative seva projects are taken. They are Seva Cafe, Ek tatva Concert, Yoga Day Flash Mob, Blanket distribution. These have been very well known.

Charter Day celebrations

On 26th August 1987, RCRG took birth and now it has entered 34th years of its serviceable character. No guts, no glory, no legends, no story. Every block has a statue inside it, similarly every person is like that block of stone and that when one chisels it out, carves out or shaves off

Opening remarks were given by President Rtn. Mehul Nathvani, followed by Secretarial announcements by Rtn. Nilesh Bhojani. In the session 'Sailed through Corona', RCRG members shared their unique journeys of Corona pandemic. Each had a special story and a special message to the members. All stressed on the seriousness of measures. They all agreed that when a person in a family shows any Corona symptoms, then consult a doctor and look to isolate to save further damage. Such stories will enlighten all of us.
