## Speaker Meeting: What is Your Peak in your Life? By Rtn. Dr. Lucky Kasat

Rtn. Dr. Lucky is a very versatile personality. He is a **Pediatric Surgeon**, operating on children right from the moment of birth.

He was blessed enough to get this super specialty after his MBBS and MS in General Surgery from Nagpur, when **he passed MCh exams at all India level. He stood 25th** - He did his MCh in Pediatric Surgery from the prestigious KEM hospital in Mumbai and now in **THANE since 2000.**

**It was pure destiny that brought him to Thane** - Actually he decided to start practice here after a casual discussion in 1999 when he came to know that there was no residing pediatric surgeon and that Thane was growing tremendously (and yes, it has!),

**His initial life was difficult** - staying as a paying guest for a year, roaming about on a Kinetic Honda (he never knew how to drive a car; learnt it later) and then settling down in his own flat. He has his own flat now; all EMI'S paid! His wife Dr Shital who is a MBBS, DGO, is a Medical officer in Civil Hospital and Mental hospital here. He is blessed with 2 children – both boys (Rudresh and Aditya).

**He feels privileged** to operate on variety of cases but **says that his branch is tough** – There are too many tears from the child and also the parents. But of course, there are smiles that are a mile long too!

**He had the blessing of God to publish** 15 International publications in international journals and 4 of them are now text book references! He got a chance to present a scientific paper a few years ago amongst 500 pediatric surgeons and it won the best scientific paper out of 250 papers in all india conference!

**He is an active Rotarian** since many years and loves to give lectures on medical and

## Meeting Reviews:

**Prathnasabha** - Septuagenarian Late Rtn. Rajen Modi was remembered by family, friends and well-wishers on Thursday 24.9.2020 which also was day on which he was born. People had fond memories of the great soul which was well expressed by many Past Presidents of RCRG and people known to late Rajenmama. Some called him a true friend and for many he was a philosopher. People remembered him for his generosity and friendly attitude throughout his journey of life. His exemplary works for the society, business community and youth at large would be remembered forever.

In fond memory of Late P.P. Rtn. Rajen Shah **Plasma donation campaign** was announced by President Rtn. Mehul Nahtvani, an initiative by Rotary Club of Rajkot Greater.

We pray that Modi family would get all strength to come out of the untimely event and may Rajenmama remain in our hearts forever.

**Daughter's Day celebration** : Our club celebrated daughter's day by showcasing amazing performances and expressions of emotions by various participants from our own club. It was indeed very thoughtful of our Club President and Secretary to have one

of its kind celebration. Daughters are very special and the kind of daughters our club has, it gave us either more reasons to celebrate them. The virtual daughter's day celebration started with a welcome address of our Club President Rtn. Mehul Nathwani. It further proceeded with a beautiful Ganesh Stuti performance by Annet Kashish Mangtani, followed by a heart touching recitation and dance performance of Annet Jiya Nathwani. Annet Harshvi Nagrecha and Ann. Roopa Nagrecha presented a very affectionate video, Annet Riddhi Bhojani and Rtn. Nilesh Bhojani performed a very cute dance together. Ann Hetal Joshi expressed her feelings poetically and our Annet Krisha Rathod danced very enthusiastically. Rtn. Kunal Mehta and Ann Monika Mehta

award-winning author John Green's most ambitious and heart breaking work yet, brilliantly exploring the funny, thrilling, and tragic business of being alive and in love.

**Book Talk by Rtn. Rajen Shah** - "Not without my daughter" is a book based on 1984 story by Betty Mahmoody. This is a story about an American women- Betty, who married an Iranian American. This is a story about motherhood, courage, suffering, pain against all odds and positive attitude towards life which was wonderfully narrated by Rtn. Rajen Shah, a person who is a voracious reader and has done many books talks in and outside Rotary.

Every Rotarian contributes in their own way and Rtn. Rajen Shah does it by spreading knowledge in life of others, someone who is very calm and delivers in his own unique style. He also runs his own youtube channel Nani Vaat which has huge viewership.
