Meeting Reviews:

Speaker Meeting: What is your peak in your life? By Rtn. Dr. Lucky Kasat

President Rtn. Mehul Nathvani welcomed everyone for the online speaker meeting followed by Secretarial announcements and details about IYE program were given by Rtn. Nilesh Bhojani. Introduction of the speaker was given by Rtn. Dhruv Kakkad. Rtn. Dr. Lucky Kasat took us through a journey of Mt. Everest right from Base Camp to the Peak. In order to reach our peak, we need to prepare our mind to overcome our fears and strike a balance to move forward. A path will appear once you start your climb and not before that. Work as a team in silence while leaving your ego behind. It would be the steepest climb when nearing the peak but remember you cannot be on the top forever. Embrace your descend gracefully after being at the top. Always remember one rule in life 'Never Quit'.

They Never Rest who want to reach their Everest.

- By. Rtn. Dhruv Kakkad
