WELLNESS & WOMAN

DR. AMI MEHTA

Rajkot- the pride of Gujarat, associated and committed with traditional and ancient folk dance 'Garba'. The socio-religious outlook raises art to the level of prayer and each artist works then not for her but for a society at large. Individual interests are then superimposed by an idealistic approach, whereby art is taught and learnt for the benefit of the masses and understanding develops between art, artist and the primordial teacher 'Prakriti'. Since 1985 Kankan as well as Sonalben has been doing their best to preserve our Garba and Raas in its original form. Every year during Navartri she organizes gorgeous Raas-Garba Concert which is very devotional with Taali-chapti, Diva raas, Mandavdi garba, Ghantarav garba, Zavera-manjir garba, Matajino Ghado, Mataji ni Hamchi, Kartaal raas, Dandia raas, Rumal raas, Ghadulio raas, Tippani raas, Hudo, Titodo and other folk performances of the heritage of Gujarat. She is an approved artist of Drama, Dance and Music of all India Radio and Door Darshan Kendra. She has proved the slogan 'Service of poor is the service of God'. She is an active advisor of the advisory committee of Sargam Club, Rajkot. She has been honored with 'KALA-DHRITRI' and many more awards to her name.

Service of poor and needy people is her ultimate goal.

Cyber Security Awareness :

Joint meetings of Rotary Clubs of Rajkot was held on 8.10.2020. Opening remarks were given by President of RCRG Rtn. Mehul Nathvani. Rotary prayer was recited by President of Rotary Club of Midtown and 4 way test was recited by President of Rotary Club of Metro. Speaker Narendrasinh Zala gave detailed insights about what is Cyber crime and ways to prevent it. Use of internet in today's world was very nicely explained with relevant examples and how it has impacted human lives. It was shocking to understand figures of Cyber crime and surprising thing was that India as a country leads in online shopping. Government is taking strict measures and ITR act 2000 and amendment act 2008 is also in place and sections in detail were discussed.

Vote of thanks was done by Dr. Devvrat of Rotary Club of Rajkot and he was grateful to the Speaker who shared insights in detail. Memento to the speaker was given by President of Rotary Club of Rajkot Midtown and Secretary of Rotary Club of Rajkot Greater.

Secret of Success by Apurvamuni Swami:

Secret of success a talk by Shri Apurvamuni Swami of BAPS was a joint effort of Rotary Club of Rajkot Greater and REEAR which was held on Saturday 10th October 2020. Swamiji's deep understanding of the topic and putting it forward in most effective manner was much appreciated. In these pandemic times when people are suffering mentally, physically and financially, the Swamiji's guidance was noteworthy.

Project Reviews:

Adverse effects of online platform usage on EYES: Today under RCRG Service Project, we had a speaker meeting by Dr Ketanbhai Bavishi (Eye Surgeon) who delivered a speech on eye care, and gave one most important tip as 20-20, which meant as after watching any gadget for 20 minutes, close your eye for 20 seconds and then take a look at the object that is 20 feet away from your eyes.

Moreover he said blinking the eyes more often will save tears that is important to save eyes from getting dry.

It was worth attending his session for 200 students of Smt. Kansagra Mahila College.

For one hour students were listening him attentively and then some relevant questions were asked, to which Dr. Ketanbhai answered in a very persuasive manner.

Special thanks Dr. Ketanbhai Bavishi, for sharing valuable information and Ann Mayuri Tratiya, who helped in organizing the online meeting.
