Club News:

Happy News : At Panchnath Charitable Hospital Rotary Club of Rajkot Greater has donated Instruments for Operation Theater which is on the Fifth Floor and 3 Ventilators and 12 Monitors in the ICU on the Fourth Floor. The hospital is to be inaugurated by Honourable Chief Minister of Gujarat Shri Vijaybhai Rupani. Proud moment for RCRG.

Sad news : It is with deep regret we inform you that Dr. Samrat Buddha ex RCRG member has left for heavenly abode. He was an active Rotarian and had voluntarily decided to leave Rotary some months back because of health issues.

We pray that his soul rest in eternal peace and may his family get all the strength to come out of this loss.

Great Swami Vivekananda

Narendranath asked Ramakrishna Paramhansa if he believed in God, and got yes for an answer. "Can you prove it?" The gurudev again said yes. "How?"

"Because I can see you and in the same way I can see Him too." Narendranath impressed from this answer started his journey from Narendranath to Swami Vivekananda.*

Born into an aristocratic Bengali Kayastha family of Calcutta, Vivekananda was inclined towards spirituality. He was influenced by his guru, Ramakrishna, from whom he learnt that all living beings were an embodiment of the divine self; therefore, service to God could be rendered by service to humankind. After Ramakrishna's death, Vivekananda toured the Indian subcontinent extensively and acquired first-hand knowledge of the prevailing in British India. He later travelled to the United States, representing India at the 1893 Parliament of the World's Religions. Vivekananda conducted hundreds of public and private lectures and classes, disseminating tenets of Hindu philosophy in the United States, England and Europe. In India,

Vivekananda is regarded as a patriotic saint, and his birthday is celebrated as National Youth Day.

He was a key figure in the introduction of the Indian philosophies of Vedanta and Yoga to the Western world and is credited with raising interfaith awareness, bringing Hinduism to the status of a major world religion during the late 19th century. He was a major force in the revival of Hinduism in India, and contributed to the concept of Indian nationalism as a tool to fight against the British Empire in colonial India. Vivekananda founded the Ramakrishna Math and the Ramakrishna Mission.

The organization mainly propagates the Hindu philosophy of Vedanta—Advaita Vedanta and four yogic ideals—jnana, bhakti, karma, and Raja Yoga. Apart from religious and spiritual teaching the organization carries out extensive educational and philanthropic work in India.

As of 2019, 163 Ramakrishna Mission and Ramakrishna Math are in India and 214 centers are all over the world.

Swami Vivekananda is perhaps best known for his speech which began with the words "Sisters and brothers of America ...," in which he introduced Hinduism at the Parliament of the World's Religions in Chicago in 1893.

12th January 2021 is 157th birthday of Swami Vivekananda which we celebrate as a National Youth Day.

Take risks in your life...
If you win; you may lead...
If you lose; you may guide...
Swami Vivekananda.
