Did you know?

800 primary schools were benefitted and 2,000 reading kits were distributed in the Presidential year of Rtn. Sarju Patel in year 2007-2008.

I am Woman

Being a woman is not always easy, many times we need to make trade -offs on things we love to do, which are closest to our hearts, after a furious conflicts between Brain and Heart, while the Brain wins with its logical arguments, Heart is left behind with memories to bury in past, dreams to move-on, to achieve life's successes.....

But when Heart meets our self- consciousness every now and then, it questions us, what we have got? And what we have not?

Here are with the eyes,
Filled with dreams, not sleep.

Here are with the heart,
Filled with memories, not Love.

Here we are ready to leave everything behind,
For sake of dreams to Live.

Time passes by with decisions to carry-on
With or without the consent of the heart.

Here we achieve everything we believe in,
With the conscious left behind,

Questioning us every time,
What we have got and what we have not...

- Rtn. Ishita Chhotai.
