Welcome Note : President 2024-25

वंदे मातरम्

As the current President of the Rotary Club of Rajkot Greater, I am honoured to continue the incredible legacy of service that our club has upheld since its inception in 1987. Always I felt proud to be a Rotarian and today I thank God for giving me this opportunity to serve as a 38th leader of one of the most vibrant club of district 3060.

As all of us know that Rotary is an organization with global network of 1.4 million neighbors, friends, leaders, and problem-solvers with 46000+ clubs around the world who are addressing challenges and take action

**Rtn. Jaydeep Vadher and
Ann. Urvashi Vadher**

to create lasting change in community since last 120 years.

Rotary's "People of Action" with the motto of "Service Above Self" at heart, have used their passion, energy, and intelligence to take action on sustainable projects from literacy and peace to water and health with vision statement of "Together, we see a world where people unite and take actions to create lasting change - across the globe, in our communities, and in ourselves."

Rotarians are dedicated volunteers who are taking action on our world's most persistent issues i.e.

• Promote peace • Fight disease • Provide clean water, sanitation, and hygiene • Save mothers and children • Support education • Grow local economies • Protect the environment

Our club has played a vital role in expanding the reach of Rotary in surrounding areas of Rajkot by solving real problems of the society and helping to needy people. We have planned projects to serve society and cover all 7 areas of focus of Rotary Organization.

- **Project SHANTI-MAITRI to Promote peace in surrounding society**
- **Project SARVA SWASTHYA for Prevention & Treatment of Disease**
- **Project NIRMAL NIR to Provide clean water, hygiene and sanitation**
- **Project MAMTA to Improve Maternal & Child Health**
- **Project GYAN ANJALI to Encourage Basic Education & Literacy**
- **Project AARTHIK UNNATI to Grow local economies**
- **Project PRAKRUTI for Environment Protection & Improvement.**

As founder of Rotary Paul Harris says "Whatever Rotary may mean to us, to the world it will be known by the results it achieves." We, Greaterians are real problem-solvers and committed to Rotary organization and Rotary Vision. I got the platform to Serve the Society which is built by our 37 honorable past presidents who has worked very hard and achieved a milestone in Rotary District 3060. As a leader of this prestigious club of Dist 3060, I ensure whole club that our team will work harder and achieve all goals of the year. I hope all the members of RCRG also join and encourage me and my team. I am very thankful for trusting me. I will be serving our club with the best of my ability.

This year our RI president Stephanie A. Urchick revealed the theme of the year is "The Magic of Rotary" after revealing the theme she said "Don't misunderstand me - we are not going to end polio or bring peace to the world by waving a wand and saying some funny words, It's up to you. You create the magic with every project completed, every dollar donated, and every new member added." She has prioritized peace in this divided world in wars. At the end I say that with "The Magic of Rotary" we put our efforts towards "लोकाः समस्ताः सुखिनि भवन्तु" (Let the entire world be happy)"

True leader is a person who always listen to the people. I am always available to the members to share their views on projects and meetings. My doors are always open for all of your thoughts and views. I look forward to working for you and with you.

Thanks.
