APRIL, 2025

Rotary

❖ R. I. President – Stephanie Urchick ❖ District Governor – Chetan Desai ❖

◆ President – Vidula Kshirsagar ◆ Secretary – Shaila Rege ◆

❖ Bulletin Chairperson – Shobha Karnik ❖

FROM PRESIDENT'S DESK

The month of April has been a vibrant and action-packed one for RCMM, filled with diverse and meaningful activities.

We marked several firsts this month — a significant milestone for our club. RCMM successfully conducted its first-ever breast screening camps for cancer detection at two locations, underscoring our commitment to women's health. We proudly inaugurated a Legacy Project by donating four fully motorized beds to Dhanwantari Hospital, setting a precedent for impactful, sustainable contributions.

Another exciting first was our international trip to Baku, offering members a refreshing break and unforgettable fellowship.

A firefighters' drill was organized for the students of CSV School, offering a hands-on and essential safety learning experience.

On the medical front, two health camps were held. One at the Fire Brigade Station, covering a wide range of checkups — eye tests, ECG, blood sugar, hypertension, cancer screening for women, consultations with a nutritionist, and even Ayurvedic medicine. The second was conducted for the Sion Police Station personnel and their families, focusing on breast screening and a special session on women's health.

Our energetic Rotaractors from Ruia College led two impactful sessions — one on DigiGrow, enhancing members' tech skills, and another on LGBTQIA+ awareness, fostering inclusivity and understanding.

The Baku trip was more than just sightseeing — it was a celebration of fellowship, with bus tours filled with antakshari, singing, laughter, and bonding.

A heartfelt thank you to all our members for your enthusiastic participation and unwavering support in every initiative. Your involvement continues to make RCMM a force of positive change.

Enjoy Rotary and Enrich Life.

HEARING SCREENING CAMP AT J. B. VACHCHA SCHOOL

Early identification of hearing issues is crucial, as undetected hearing loss can hinder a child's communication skills, academic progress, and overall development. Recognizing this need, Rtn. Dr. Gurmit, who is deeply passionate about children's health, took the initiative to organize a hearing screening camp. She personally conducts audiometry tests and believes in timely intervention to support students' well-being. Under her leadership, the Rotary Club of Mumbai Mahim, in collaboration with Maitreyi Mahila Mandal Trust, Mumbai, conducted a Hearing Screening Camp for Students of J. B. Vachha School for Parsi Girls, Dadar on 4th April, 2025. The camp was supported by Dr. Shehnaz Shaikh, Audiologist from Jaslok Hospital, along with six audiologists from the Outreach Department of AYJNIHH, Bandra. A total of 239 students from 6th to 8th standard were screened. Students identified with hearing concerns were given appropriate counseling and advised further steps, ensuring that no child is left unheard.

"Hearing is the gateway to learning and connection. Early detection ensures every child has the chance to thrive."

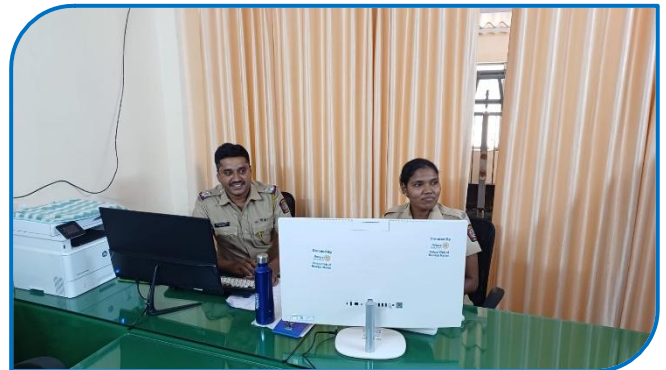

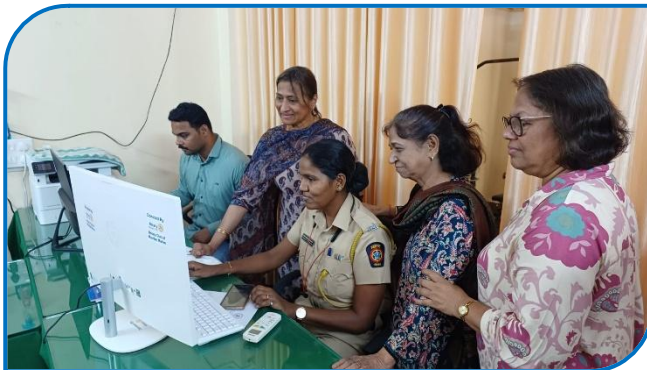

DONATION OF COMPUTER TO THE CYBER CRIME CELL

In an age where cybercrime is on the rise and digital threats loom large, equipping our law enforcement with the right tools is crucial. The Rotary Club of Mumbai Mahim took a meaningful step in this direction by donating a high-end computer system with a 27" screen to the Cyber Crime Cell of Sion Police Station.

RCMM members visited the police station on 5th April, 2025 to officially hand over the equipment. The Cyber Security Officer expressed sincere gratitude for the support and took the opportunity to share valuable insights on cyber safety. She highlighted the importance of being cautious with suspicious messages, emails, and online links, and stressed that awareness is the first line of defense against digital fraud.

It was a truly enriching visit—one that not only contributed to a cause but also educated us on how to stay vigilant in an increasingly digital world.

We meet alternate Saturday at 9.00 a.m. at AOTS Hall else on Zoom Conference.

Year 2024-25

DIGIGROW BY RC RAMNARAIN RUIA COLLEGE ROTARACTORS

In today's fast-paced digital world, staying updated with creative tools and social media trends is essential—even for seasoned professionals and clubs like ours! Recognizing this need, the enthusiastic Rotaractors of Ram Narain Ruia College organized a highly engaging session titled 'DigiGrow' on 5th April, 2025 for RCMM members.

The interactive session focused on enhancing our digital skills, especially in using user-friendly applications like Canva and InShot to create impactful content for social media platforms. The Rotaractors patiently guided members step-by-step—right from navigating the apps to understanding design principles and video editing basics. It was a fun, hands-on experience where learning happened through doing, with everyone encouraged to try out features in real time.

As we stepped into this creative zone guided by the young, we realized that in today's world, one can't afford to be left behind by ignoring digital trends.

:"Digital tools don't just amplify your voice—they help you shape it with creativity and purpose."

PEDALING TOWARDS PROGRESS – BICYCLES FOR KOKRI AGAR STUDENTS

The Rotary Club of Mumbai Mahim has been consistently supporting the students of Kokri Agar over the past 2–3 years through various initiatives aimed at improving their learning environment. From building a community hall equipped with water filters to organizing educational sessions, RCMM has remained committed to empowering these young learners.

Understanding the daily challenges students face—especially the long commute to school—RCMM identified the need for reliable transportation. As a practical solution, the club decided to provide refurbished bicycles to the students and observe the impact. To begin with, six students were selected to receive bicycles.

On 6th April 2025, President Vidula and Rtn. Usha personally handed over the bicycles in a simple yet heartfelt ceremony. It is our hope that this small gesture will significantly reduce the students' travel time and allow them to focus more on their studies—because every extra minute matters in the journey of education.

RATION DISTRIBUTION UNDER PRADHAN MANTRI TB MUKT BHARAT ABHIYAN

In continuation from last month, on 9th April, 2025 ration was distributed to 16 patients at BMC dispensary, behind Goa Portuguesa restaurant, City light. Rtns. Arati and Shaila distributed the ration personally. We will be providing the ration during the period of their medication. Hope this helps the patients to regain their health and lead the normal life.

We meet alternate Saturday at 9.00 a.m. at AOTS Hall else on Zoom Conference.

For Private Circulation Only

FREE MEDICAL CAMP AT FIRE BRIGADE STATION DADAR EAST

Rotary Club of Mumbai Mahim has always placed a strong emphasis on promoting better health in the community by conducting medical camps across various schools and neighborhoods. This time, Rtn. Sunita Padwal came up with a thoughtful and impactful idea—to organize a free medical camp not just for the general public, but also for the dedicated staff of the Dadar Fire Brigade Station.

The camp, held at the Fire Brigade Station Dadar East premises, was a resounding success, offering a wide range of health services to over 100 beneficiaries, including fire personnel and local residents. Services included:

- Eye and Retina check-up
- Dental check-up
- Blood pressure and ECG
- Random blood sugar,
- Ayurvedic consultation with free medicines
- General diet and nutrition guidance
- Mammography screening, coordinated by Dr. Supriya Saple in collaboration with Nana Palkar Smruti Samiti

In addition to medical services, a special Organ Donation Awareness Desk was set up to encourage the noble cause of saving lives through organ donation.

RCMM members played an active role throughout the camp—volunteering, guiding beneficiaries, and ensuring smooth coordination. It was a fulfilling day of compassionate service, health awareness, and heartfelt community engagement—a true reflection of Rotary's spirit.

Rotary Club of Mumbai Mahim

PATIENT'S MOTORIZED BED DONATION – A ROTARY LEGACY PROJECT

Dhanvantari Hospital and Research Centre, located in Dadar West, is a 53-bedded multi-specialty hospital known for providing excellent medical care at affordable rates. With state-of-the-art technologies and a wide range of departments including cardiology, neurology, orthopaedics, paediatrics, gynaecology, and general medicine, the hospital caters primarily to middle and lower-middle-income families.

In its ongoing journey to modernize and enhance patient care, the hospital has initiated an upgrade of its existing 48 manual beds to modern motorized beds—ensuring equal comfort and ease for patients, whether in general wards or private rooms.

Recognizing the value of this mission, the Rotary Club of Mumbai Mahim stepped forward with a generous donation of four motorized beds as the inaugural step of its Legacy Project. This donation marks not only the beginning of a long-term commitment to healthcare improvement but also RCMM's dedication to creating a lasting impact in the community.

On 12th April 2025, RCMM members visited Dhanvantari Hospital to officially inaugurate the new beds. A Rotary Legacy Board has been installed at the hospital's entrance, giving the initiative prominent visibility and recognition. The doctors and hospital staff expressed heartfelt gratitude, welcoming the initiative and expressing hope for continued support from RCMM as they move forward with further infrastructure upgrades.

PATIENT'S MOTORIZED BED DONATION – A ROTARY LEGACY PROJECT

A special note of appreciation goes to Rtn. Dhananjay and Rtn. Suryakumar, whose leadership and coordination ensured the smooth execution of this meaningful project.

RCMM members unanimously felt this was a cause worth supporting—uplifting patient experience and strengthening community healthcare. The project has truly lived up to the spirit of service, and the club looks forward to building a long-standing partnership with Dhanvantari Hospital.

NEW ADDITION TO RCMM FAMILY

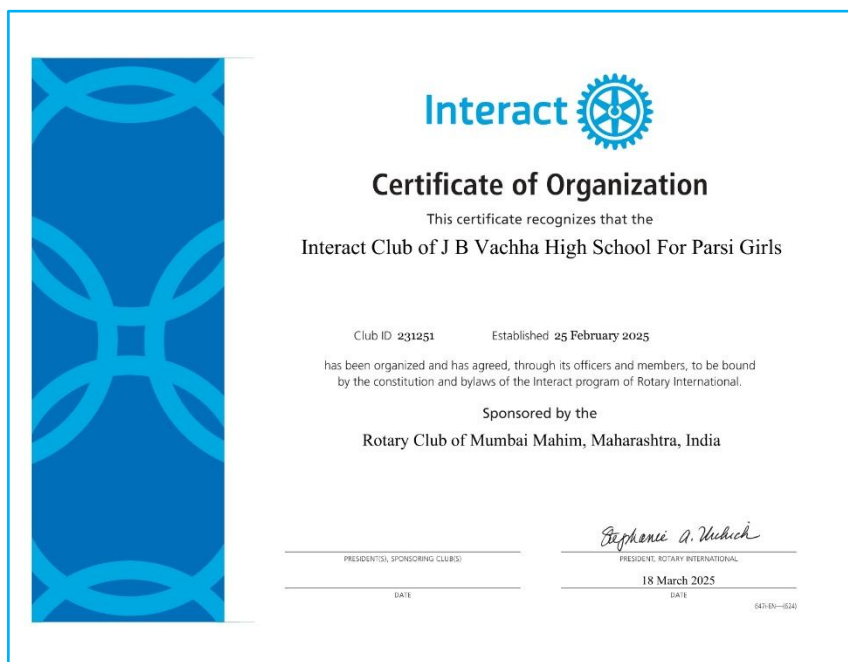

The Rotary Club of Mumbai Mahim (RCMM) has always placed special emphasis on youth development, believing in nurturing young minds to become responsible citizens and valuable contributors to society. Through various youth programs and clubs, RCMM continues to provide platforms for leadership, service, and personal growth.

Over the years, RCMM has proudly established several Rotaract and Interact Clubs:

- Rotaract Club at Ramnarain Ruia College (2012)
- Community-based Rotaract Club of King's Circle Matunga (2015)
- Interact Club at Matunga Premier School (2017)
- Interact Club at Chhatrapati Shivaji Vidyalaya (2022)
- Interact Club at Dadar Vidya Mandir (April 2024)

Adding to this growing list, RCMM officially established the Interact Club at J. B. Vachha High School for Parsi Girls on 25th February 2025. This milestone was the result of sustained efforts by Rtn. Gurmit, who initiated the collaboration during her presidential year, along with Rtn. Suryakumar and Rtn. Jehangir. Their consistent engagement and dedication have finally borne fruit, with RCMM receiving the official charter certificate from Rotary International.

With a strong and enthusiastic Youth Services team led by Rtn. Seema Patole, RCMM is confident that this newly formed Interact Club will thrive and achieve great success. The club looks forward to mentoring the students and guiding them on their journey of community service and leadership.

ANNADAN THROUGH DON GHAS

Annadan through Don Ghas has become a signature monthly project for RCMM, with Rtn. Revati managing it seamlessly. She ensures its smooth execution by being personally present at every service. RCMM has been associated with NGO Aarya for the past 6-7 years. Founded by Rtn. Sheetal Bhatkar in memory of her son, Aarya's mission is to ease the burden on families of patients undergoing prolonged treatments at hospitals in Parel, such as Wadia, Tata, and KEM. The initiative, aptly named Don Ghas (which translates to *a square meal* in Marathi), follows a well-structured yet simple process to provide nutritious meals to those in need.

On 14th and 15th April, RCMM sponsored lunch for 150 people. Special thanks to Rtn. Revati's friend, Shailesh Sukthankar and to Rtn. Julina, who contributed in memory of her husband Dr. Ulhas Karkhanis. On 14th April special dish 'Amras' and on 15th April 'Goda Shira' was served. Both days saw Rtn. Revati actively participating in the service along with Rtn. Julina.

RCMM remains committed to this heartfelt initiative, bringing comfort and nourishment to those in need, one meal at a time.

We meet alternate Saturday at 9.00 a.m. at AOTS Hall else on Zoom Conference.

Year 2024-25

For Private Circulation Only

SECOND MAMMOGRAPHY SCREENING CAMP BY RCMM

Mammography is a specialized medical imaging technique used to detect early signs of breast cancer, often before symptoms appear. Early detection through regular screening can significantly improve treatment outcomes and save lives.

Rotary Club of Mumbai Mahim, in association with Nana Palkar Smruti Samiti, successfully conducted its second Breast Cancer Screening Camp on 15th April 2025 at the Fire Brigade Station, Sion. A total of 31 women were screened, including some of our own RCMM lady members. The camp was organized in response to repeated requests from the community, reaffirming our commitment to women's health and early detection.

FIRE DRILL AT CHHATRAPATI SHIVAJI VIDYALAYA

As part of the National Fire Safety Week observed from 14th to 20th April 2025, the Rotary Club of Mumbai Mahim (RCMM) organized a Fire Safety Demonstration on 17th April at our Interact School – Chhatrapati Shivaji Vidyalaya, Dharavi.

The session was conducted by Mr. Manoj Ernade and his dedicated team from the Dadar Fire Brigade Station. The demonstration was both educational and engaging, offering valuable insights into fire prevention, emergency response, and the correct use of fire safety equipment. Students and teachers alike participated enthusiastically and gained practical knowledge about handling fire-related emergencies.

This impactful initiative by RCMM helped reinforce the importance of safety preparedness among young minds, leaving a lasting impression on all attendees..

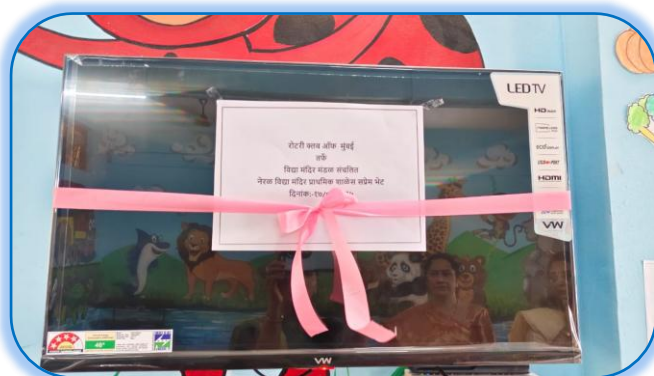

DONATION OF TV TO NERAL DADAR VIDYAMANDIR

During our Madhali Sutti workshop at Neral Vidya Mandir, the school had expressed a need for two televisions to enhance their teaching methods through audio-visual learning. Acting on this request, Rtn. Dr. Gurmit learned that the Rotary Club of Bombay had procured TVs and was looking for schools in need. She promptly connected Neral Vidya Mandir with the RC Bombay contact and facilitated the donation.

On 17th April, Rtn. Dr. Gurmit and Rtn. Archana personally visited the school to inaugurate the televisions. The school authorities were deeply appreciative of RCMM's timely support and initiative.

These TVs will now be used to support digital learning, play educational videos, and make classroom sessions more interactive and engaging for students.

SESSION ON LGBTQIAAP BY RCRRC ROTARACTORS

During RCMM's weekly meeting on 19th April, Rotaractors from RCRRC conducted an enlightening session on LGBTQIAAP awareness. The session aimed to promote understanding and inclusivity by explaining various terminologies in simple, relatable language.

The presenters highlighted the challenges many LGBTQIAAP individuals face, especially due to societal and parental mindsets that often lack acceptance. Emphasis was placed on the importance of emotional support from families and institutions, and how colleges can serve as safe spaces where students feel free to express their identities without guilt or fear—for example, saying “I am gay” or “I am lesbian” without stigma.

RCMM members found the session highly informative and expressed that individuals from the LGBTQIAAP community should be accepted, respected, and treated like anyone else, with dignity and compassion.

MEDICAL CAMP AT SION POLICE STATION

In a meaningful initiative towards community health, the Rotary Club of Mumbai Mahim organized a comprehensive medical camp at Sion Police Station in collaboration with Nana Palkar Smruti Samiti and NJ Insurance Brokers, in association with Zen Hospital, Chembur. The camp focused on breast cancer screening for women and general health check-ups for both male and female staff.

A total of 31 women underwent breast cancer screening. While no negative reports were found, it was evident that the anticipation of the test created considerable anxiety. Many participants voiced that they would feel more comfortable getting such screenings in familiar, community-based settings and alongside friends, rather than in hospital environments.

The health check-up camp included tests for HGT, BP, BMI, and ECG, followed by physician consultations. Of the 58 individuals examined, 25 were advised ECGs based on preliminary readings, and subsequently recommended 2D Echo tests as a preventive measure.

An insightful and interactive talk by Rtn. Dr. Sneha was especially well received by the women present, adding a vital educational aspect to the initiative.

The entire event was smoothly facilitated under the supportive leadership of Senior Police Inspector Manisha Shirke, who ensured a secure and welcoming atmosphere. Her commitment to community welfare, beyond her policing duties, was truly commendable.

RCMM members in attendance included Dr. Supriya Saple, who played a key role in arranging the breast cancer screening, along with Aarati, Dr. Gurmit, Nita, Vidula, Dhananjay, and Sunita. The overall experience of the medical camp was deeply fulfilling and strengthened RCMM's resolve to continue championing health-focused community service.

We meet alternate Saturday at 9.00 a.m. at AOTS Hall else on Zoom Conference.

FAMILY CORNER

Heartiest Congratulations to **Rtn. Dr. Pallavi Saple!** We are proud to share that Rtn. Dr. Pallavi Saple was recently interviewed by Ms. Neha Khare of Asmita TV Channel on the occasion of World Health Day. The insightful interview, centered on the theme of "Awareness on Health," was aired on 7th April 2025.

Additionally, through Navbharat Times, Dr. Saple shared a powerful message: "To change the mindset of the community, we must begin by changing our own." Her thoughts continue to inspire and reflect her deep commitment to community well-being and progressive healthcare.

नवरात्रि विशेष | मेडिकल एजुकेशन रिसर्च महाराष्ट्र की जॉइंट डायरेक्टर हैं डॉ. पल्लवी सापळे

समाज की मानसिकता बदलने खुद को भी बदलना होगा

अभिषेक पाठक नवभारत
भारत की स्वतंत्रता के बाद से जे.जे. अस्पताल की सबसे युवा डीन बनने का गौरव प्राप्त करने वाली डॉक्टर पल्लवी सापळे ने अपने करियर की चुनौतियों और उपलब्धियों को साझा किया। हाल ही में उन्होंने अस्पताल सुरक्षा पर राष्ट्रीय टास्क फोर्स में महत्वपूर्ण भूमिका निभाई और महाराष्ट्र मेडिकल काउंसिल के प्रशासनिक पद को भी संभाला। जे.जे. अस्पताल की सबसे युवा डीन बनने से लेकर वर्तमान में मेडिकल एजुकेशन रिसर्च महाराष्ट्र की जॉइंट डायरेक्टर तक के सफर तक के बारे में 'नवभारत' ने विशेष बातचीत की है। पेश है प्रमुख अंश-

❖ डीन बनने के बाद आपने किन चुनौतियों का सामना किया?
जे.जे. अस्पताल का इतिहास 180 वर्षों से अधिक पुराना है और मैं उसकी पहली छात्रा हूँ जो डीन बनीं। हालाँकि, अब मैंने मेडिकल एजुकेशन रिसर्च महाराष्ट्र के जॉइंट डायरेक्टर के तौर पर नई जिम्मेदारी संभाल ली है।

बल्लर प्रोफेसर तक ले किमी तरह की टिकट नही आई, लेकिन जैसे ही मैंने प्रशासनिक भूमिका निभानी शुरू की, कुछ

चुनौतियाँ आईं। कई लोगों को महिला अधिकारी से अंदरूनी लेने में संकोच होता है, लेकिन मैंने अपने आचरण, अनुशासन और निष्पक्ष फैसलों से अपनी पहचान स्थापित की। समाज की मानसिकता बदलने का काम हम महिलाओं को खुद करना होगा।

❖ सरकारी अस्पतालों में सुरक्षा को लेकर आपकी प्रमुख सिफारिशें क्या हैं?
मुख्य न्यायपीठा द्वारा गठित समिति में मुझे

राज्य सरकार के मेडिकल कॉलेज से प्रशिक्षित करने का सम्मान मिला। हमने अस्पतालों में सुरक्षा मानकों को लेकर कई सुझाव दिए, हर अस्पताल में कोड वाक्यूम (कोड रे) ट्रेनिंग होनी चाहिए, ताकि आकस्मिक स्थितियों में निपटारा जा सके। डॉक्टरों को भी संबद्धतापूर्ण प्रशिक्षण दिए जाया चाहिए ताकि वे बुरी खबर को उचित तरीके से संभाल सकें। इसके अलावा, महिला डॉक्टरों के लिए सुरक्षा सुविधाएँ, पर्यटन ऐपली

और सैलरीटिवी कैमरों का क्लक चेकर्स आवश्यक हैं। लेकिन इसे सीमा भी तो लगाना है। अगर आप नेतृत्व करना चाहती हैं, तो अपने लिए एक आदर्श चुनें और उसके गुणों को अपनी की कोशिश करें। कितने भी सबसे अच्छी दोस्त रहें और लीडरशिप पर आज कई अच्छी पुस्तकें उपलब्ध हैं। हर किसी को नेतृत्व करने की जरूरत नहीं होती, लेकिन अगर आपको लगता है कि आप इसमें सफल हैं, तो खुद को इस दिशा में प्रशिक्षित करें।

❖ नवरात्रि और महिला शक्ति पर आप क्या कहना चाहेंगी?
नवरात्रि नई सुरुआत का प्रतीक है और यह महिला शक्ति की दशावली है। हमारे समाज में हमेशा से दोहरे पुरान को धरना रही है। जो भी हमारे प्राचीन समाज को दर्शाती है। संघर्ष को बाब की तरह न देखकर, इसे बाबा का हिस्सा मानें, वही सौभाग्य हमला इसे एक रोमांचक सफर मानने की राह है। साधक जब मैं अपनी कितनी विस्तृत, तो हमने कई रोमांचक अन्वेषण होगे, जीवन को एक रोमांच मानें और उसका अन्वेषण करें।

महिला डॉक्टरों को नेतृत्व के लिए आपकी क्या सलाह है?
