FROM PRESIDENT'S DESK

Rotary New Year – A Joyous Start

The Rotary New Year began on a vibrant note on July 1st, 2025. We joined the District Governor Dr. Manish Motwani and Dr. Mahek Motwani at Udyan Ganesh Mandir, Shivaji Park, for a Ganesh Puja organized by RC Shivaji Park, seeking divine blessings to begin the year.

We actively co-hosted the District-wide Blood Donation Drive and CPR Training at Dadar Station. Rtn. Vandana Rajhans also donated blood during our monthly drive—an inspiring gesture of service.

Our club participated in “Anandotsava,” a musical evening at Bal Gandharva Rang Mandir, where talented doctors performed for senior citizens, bringing smiles and joy to all.

We were happy to welcome three new members into our RCMM family: Mr. Sameer Tamhane, Mr. Hemant Samant, and Mrs. Swati Jaywant.

July saw impactful service projects:

- Donation of a Spectrophotometer to ACTREC's Biochemistry Department, aiding patient care and student training.
- Distribution of School Uniforms at Jagruti Vidya Mandir, Manav Shelter Home, and Elly Kadoorie School—reaching underprivileged children and those from marginalized communities.
- Donation of Desktop Computers - four to Sant Waman Maharaj School in Washim, and one to Samvedana Foundation, supporting specially-abled students.
- Provided ration kits to ten TB patients, food to orphanages, and families outside KEM Hospital.
- A sewing machine was gifted to a young girl in Malvan, promoting women empowerment and financial independence.

Rotaractors from Ruia College and RCKCM conducted valuable sessions during Seva Week on topics like good touch-bad touch, menstrual hygiene, mental health, digital safety, and AI awareness at Matunga Premier School.

We also installed two Interact Clubs—at Matunga Premier School and Dadar Vidyamandir. Students at Matunga Premier also benefitted from a session on “IKIGAI for Career” by Dr. Ajay Darekar.

Let's continue to inspire, serve with heart, uplift lives, and make this Rotary Year truly meaningful.

AUSPICIOUS START TO THE ROTARY INSPIRE YEAR

Rotary District 3141 welcomed the first day of the new Rotary year with a heartfelt Ganesh Pooja ceremony and President Shaila, along with District Governor Dr. Manish Motwani, seeking the blessings of Lord Ganesha for a year filled with service, success, and positive impact.

As we embark on this new journey, we are filled with gratitude and optimism. May Lord Ganesha guide us in our mission to serve our community with dedication and compassion.

Here's to a year of meaningful projects and cherished moments!

SCHOOL UNIFORM DISTRIBUTION AT JAGRUTI VIDYAMANDIR

The Rotary Club of Mumbai Mahim has been closely associated with Jagruti Vidya Mandir in Govandi for the past 2–3 years. This school primarily serves underprivileged children from the Govandi and Deonar areas—many of whom belong to families involved in waste collection to make ends meet.

On 4th July 2025, school uniforms were distributed to 52 such students. The event was attended by PR Shaila and Rtns. Nita, Lalit, Uma, and Usha, who not only handed over the uniforms but also spent time motivating the children. A special word of gratitude goes to Rtn. Usha for generously sponsoring the uniforms.

These children, many of whom live in slums or work as ragpickers, are lovingly nurtured by the school, which puts in dedicated efforts to instill discipline, hygiene, and moral values. Seeing the pure joy on their faces as they received their new uniforms was deeply touching. It was a heartwarming and fulfilling project that truly embodied the spirit of Rotary—bringing smiles and dignity to those who need it the most.

SEVA MAHOTSAV BY RCKCM AT MATUNGA PREMIER SCHOOL

As part of the District Seva Mahotsav initiative, the enthusiastic Rotaractors of the Rotaract Club of King Circle Matunga (RCKCM) conducted a series of impactful awareness sessions at Matunga Premier School on 5th July, 2025. The sessions were well-coordinated by Rtn. Seema Patole, with active support from Rtn. Nita.

The event was thoughtfully planned to engage students from Grades 5 to 9 and covered a range of sensitive and relevant topics:

- ◆ Good Touch, Bad Touch – Conducted for students of Grades 5 to 9, this session aimed to raise awareness on personal safety and body autonomy in an age-appropriate and respectful manner.
- ◆ Menstrual Health and Hygiene – An open, inclusive session for both girls and boys to break taboos, encourage dialogue, and educate young minds on menstrual well-being.
- ◆ Sanitary Pad Distribution Drive – To promote menstrual hygiene accessibility and ensure that students have the resources they need.
- ◆ Anti-Drug Awareness Campaign – Addressing the dangers of substance abuse, this session aimed at empowering students with knowledge to make safe choices.

The students responded with great enthusiasm, actively participating and even suggesting future topics such as sessions on Artificial Intelligence and the importance of sensitivity toward girls during menstruation.

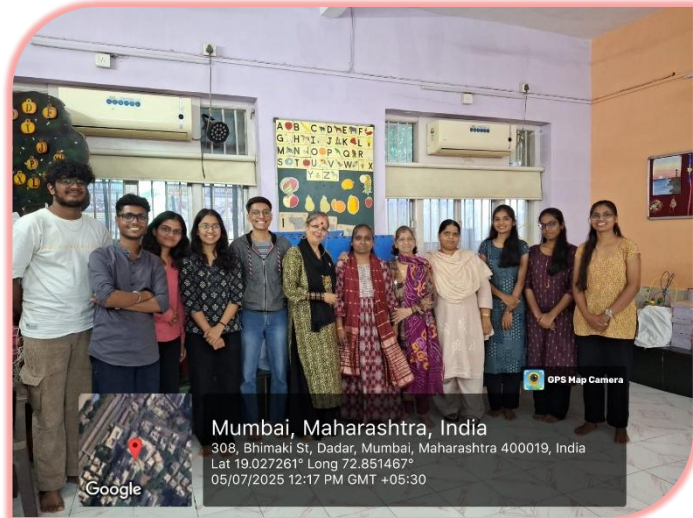

SEVA MAHOTSAV BY RCKCM AT MATUNGA PREMIER SCHOOL

Rtn. Seema Patole praised the Rotaractors, saying,
"Excellent sessions by PR Rtr. Abhinav and his team of seven Rotaractors. Very well-coordinated and executed in a short time."

The RCKCM team was thrilled by the students' engagement and the school's openness to meaningful discussions. The Interactors truly shone throughout the sessions, making the entire initiative a rewarding experience for all involved.

The success of this event highlights the power of youth-led initiatives in shaping informed, empathetic, and responsible individuals. The RCKCM team looks forward to more such collaborative Interact events in the future.

We meet alternate Saturday at 9.00 a.m. at AOTS Hall else on Zoom Conference.

Year 2025-26

For Private Circulation Only

RCMM DONATES SPECTROPHOTOMETER TO ACTREC

The Advanced Centre for Treatment, Research and Education in Cancer (ACTREC), the cutting-edge R&D wing of the Tata Memorial Centre, is located amidst the serene foothills of the Sahyadri mountains in Kharghar, Navi Mumbai.

Rotary Club of Mumbai Mahim is proud to share that a spectrophotometer has been donated to ACTREC through the generous support of Rtn. Julina Karkhanis and her friend Shubhada Kulkarni. It was officially inaugurated on 7th July, 2025 in presence of Rtn. Julina's sister and Shubhada.

This crucial equipment will aid researchers in performing accurate quantitative analysis of biomolecules—critical in studying cancer cells, monitoring drug responses, and advancing molecular diagnostics.

We sincerely thank Rtn. Julina Karkhanis and her friend Shubhada Kulkarni for their unwavering commitment to strengthening cancer research and healthcare innovation.

BRINGING DIGITAL ACCESS TO RURAL MAHARASHTRA

Manora, a taluka in Washim district, has long lagged behind in economic, social, and educational development—both within the district and across Maharashtra. Amidst this backdrop, Sant Vaman Maharaj English School was founded 13 years ago by a visionary young man, Abhijit Deshmukh, with a mission to transform the region through quality education.

Today, the school stands tall with over 900 students from nearly 50 surrounding villages and tribal hamlets. What began as a school for children from Banjara communities, tribal groups, and farming families, has now earned the trust of the entire region—attracting students even from the families of doctors and government officers.

This school is not just an educational institution, but a symbol of progress and possibility for rural Maharashtra.

Over the past few years, Rtn. Dr. Ajay Darekar has been actively supporting the school in building confidence and focus among its students. A thought troubled him—if city children have easy access to computers, why should rural students be left behind?

He voiced this concern to PR Shaila, and the Rotary Club of Mumbai Mahim embraced the cause wholeheartedly. On 8th July 2025, this school in one of Maharashtra's most underserved talukas, 600 km from Mumbai, received four modern computers—a step toward bridging the digital divide.

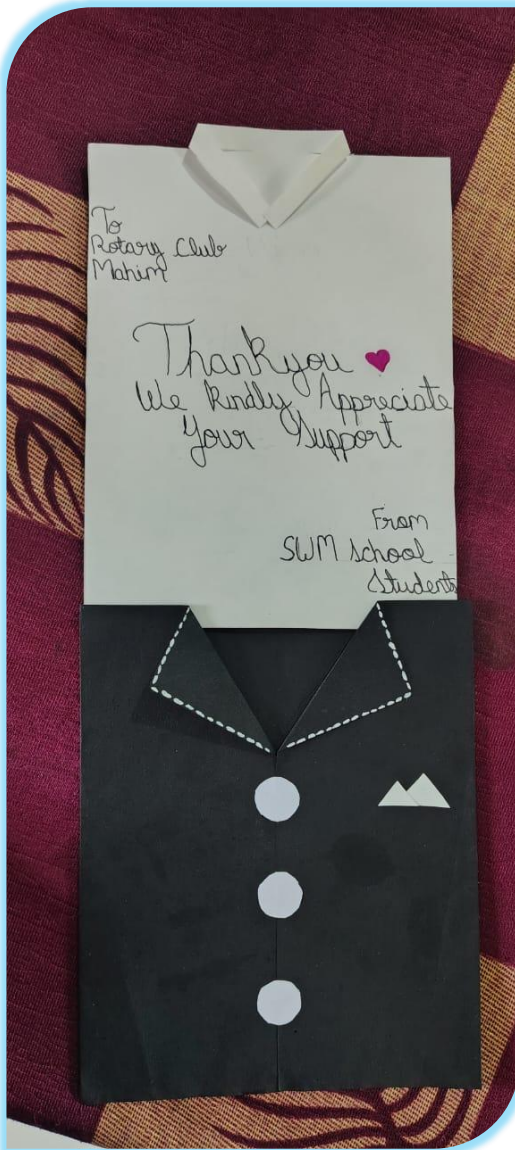

BRINGING DIGITAL ACCESS TO RURAL MAHARASHTRA

Rtn. Dr. Darekar also conducted a career guidance session for 10th-grade students and their parents, helping them navigate educational and professional choices.

The computers will be installed in a Wi-Fi-enabled corridor for supervised student access, ensuring every child gets vital digital exposure.

The heartfelt gratitude and blessings received today are a true reflection of the impact Rotary continues to make.

SEVA MAHOTSAV BY RCRRC AT MATUNGA PREMIER SCHOOL

As part of the District Seva Mahotsav initiative, the enthusiastic Rotaractors of the Rotaract Club of Ramnarain Ruia College (RCRRC) conducted a series of impactful awareness sessions at Matunga Premier School on 11th July, 2025.

They led a one-hour interactive session with 10th standard students, covering two critical and timely topics: Mental Health Awareness and Digital Safety.

In the mental health segment, students were introduced to the concept of mental well-being, its importance in everyday life, and simple, practical coping strategies to manage stress and emotions effectively. The discussion helped demystify mental health and encouraged openness around the subject.

The digital safety session equipped students with essential knowledge to navigate the online world responsibly. Key areas included understanding privacy settings, recognizing online threats, and protecting themselves from digital scams and potentially harmful situations.

The session saw active participation from 66 students and 9 Rotaractors. RCMC President Shaila, along with Rtns. Seema, Jayanti, and Nita, also joined the event. The students' enthusiasm, curiosity, and sincere engagement made it an enriching and fulfilling experience for everyone involved.

Such sessions not only educate but empower students, reinforcing the Rotaract Club's commitment to shaping aware, resilient, and responsible individuals for a better tomorrow.

BLOOD DONATION DRIVE AT DADAR STATION

Every year, under the guidance of the District, several Rotary Clubs come together to organize Blood Donation Drives at railway stations throughout the year. The first such drive for this year, in collaboration with other Rotary Clubs, was held on 12th July 2025 at Dadar Railway Station.

Rtn. Vandana led by example by donating blood and was presented with a certificate in appreciation. PR Shaila, along with Rtns. Arati, Nita, Swati, and Usha, stood by to support and encourage her. Rtn. Usha was especially proactive—holding a placard and personally urging passersby to step forward and donate.

By the end of the day, 144 bottles of blood were collected—an incredible contribution that will go a long way in saving lives and strengthening our community's healthcare efforts.

A heartfelt thank you to all the generous donors and dedicated volunteers who made this drive a resounding success. Your compassion truly makes a difference.

We meet alternate Saturday at 9.00 a.m. at AOTS Hall else on Zoom Conference.

Year 2025-26

For Private Circulation Only

FOOD DONATION AT ACT BY RCKCM

The ACT Foundation (Aiding Children in Trouble), an orphanage in Sion, Mumbai, provides care and support to young boys in need.

On the evening of 12th July, the Rotaractors of RCKCM visited the Foundation and spent quality time with the children. The visit was filled with joy and laughter, as they engaged in fun games and creative origami activities. Following the interactive session, food was lovingly distributed to all the children.

A heartfelt thank you to Rotary Club of Mumbai Mahim (RCMM) for their support in making the food donation possible. The children, who were well-mannered and neatly dressed, made the entire experience heartwarming and uplifting for everyone involved.

RATION DISTRIBUTION UNDER PRADHAN MANTRI TB MUKT BHARAT ABHIYAN

Continuing the initiative from last year, on 15th July 2025, ration was distributed to 10 TB patients at the BMC Dispensary located behind Goa Portuguesa restaurant, Citylight. Rtns. Dr. Gurmit and Asavari personally handed over the ration. These patients will continue to receive ration support throughout the course of their treatment, with the hope that it aids their recovery and helps them return to a healthy, normal life.

A heartfelt thanks to Rtns. Archana and Nita for their generous donations, and to PR Shaila and Rtn. Usha for mobilizing support and encouraging more donors to contribute to this meaningful cause.

We meet alternate Saturday at 9.00 a.m. at AOTS Hall else on Zoom Conference.

Year 2025-26

For Private Circulation Only

ANNADAN THROUGH DON GHAS

Annadan through Don Ghas has become a signature monthly project for RCMM, with Rtn. Revati managing it seamlessly. She ensures its smooth execution by being personally present at every service. RCMM has been associated with NGO Aarya for the past 7-8 years. Founded by Sheetal Bhatkar in memory of her son, Aarya's mission is to ease the burden on families of patients undergoing prolonged treatments at hospitals in Parel, such as Wadia, Tata, and KEM. The initiative, aptly named Don Ghas (which translates to a square meal in Marathi), follows a well-structured yet simple process to provide nutritious meals to those in need.

On 15th July, 2025 RCMM sponsored lunch for 170 people. Special thanks to Rtn. Jayanti Radhakrishnan, who donated in the memory of her father. PR Shaila along with Rtns. Jayanti, Nita, Seema and Usha were present throughout the service

DESKTOP COMPUTER TO SAMVEDANA FOUNDATION

The Rotary Club of Mumbai Mahim proudly donated a desktop computer on 17th July, 2025 to Samvedana Foundation, an organization committed to educating and empowering children with special needs. Founded by psychologist Ms. Priti Shiriskar, the foundation currently supports 15 children with diverse learning requirements. With her deep understanding of these children's emotional and developmental needs, Ms. Shiriskar, along with her dedicated team of teachers, focuses on nurturing social skills, discipline, and confidence in each student.

This contribution will significantly aid some of the students in appearing for NIOS (National Institute of Open Schooling) exams, offering them greater accessibility and independence in their academic journey. RCMM is glad to be a part of their progress and inclusive growth.

The children warmly welcomed the RCMM members, their faces lighting up with joy and innocence. PR Shaila added to the cheerful atmosphere by distributing chocolates. The last photo captures a heartwarming display of handcrafted items made by the children under the guidance of their teacher.

INSTALLATION OF INTERACT CLUBS

The Rotary Club of Mumbai Mahim (RCMM) proudly supports four Interact Clubs and two Rotaract Clubs. The start of the year is always a busy time as we focus on installing new teams for all clubs, ensuring they can begin their work with full energy and enthusiasm. In July, we successfully completed the installations for two Interact Clubs, igniting the spark for a truly inspiring year ahead.

Installation of Interact Club Matunga Premier School – 19th July, 2025

The Installation Ceremony of the Interact Club of Matunga Premier School was a vibrant and inspiring event, marking the beginning of a new journey in leadership and service for 57 enthusiastic students of Standard IX.

Interact President 2025–26: Intr. Satve Siddesh Balaram

Interact Secretary 2025–26: Intr. Patro Somesh Ajay

The event commenced ahead of time and was well-organized under the guidance of teacher-in-charge Ms. Simran. It commenced with graceful dance by Interactors. RCKCM President Abhinav did a commendable job of anchoring the proceedings and ensuring the smooth flow of the program. The newly installed Interactors were introduced to the values and responsibilities of the Interact movement, setting the stage for an inspiring year ahead.

INSTALLATION OF INTERACT CLUB – MATUNGA PREMIER SCHOOL

Chief Guest Dr. Arun Garg, who has journeyed through all stages of Rotary as an Interactor, Rotaractor, and now a Rotarian, delivered a truly motivational address. School Principal Rosy Madam and Trustee Rita Madam (accompanied by her husband, a Rotarian himself) graced the event with their presence and warm support.

The ceremony was attended by 9 RCMM Members, 6 Rotaractors from RCKCM, 3 Rotaractors from RCRRRC, guests, Interactors making a total attendee 85.

The core team of 10 Interactors led the proceedings with enthusiasm and confidence. The energy of the students, the support from the school, and the collaborative efforts of Rotarians and Rotaractors made the event a grand success.

A heartfelt thanks to everyone who contributed to this memorable occasion!

We meet alternate Saturday at 9.00 a.m. at AOTS Hall else on Zoom Conference.

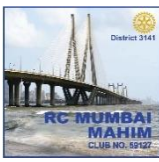

Year 2025-26

For Private Circulation Only

INSTALLATION OF INTERACT CLUB – DADAR VIDYA MANDIR

The Installation Ceremony of the Interact Club of Dadar Vidya Mandir was held on 24th July, 2025 and marked a vibrant beginning to a year filled with promise and purpose.

The event opened with a warm welcome and the meeting was formally called to order by Rtn. Shaila Rege, President of the Rotary Club of Mumbai Mahim. The atmosphere was filled with patriotic pride as all stood for the National Anthem, followed by the ceremonial lighting of the lamp by dignitaries Rtn. Dr. Arun Garg, District Avenue Chair – Youth Service, Principal Shri M.K. Pardeshi, PR Shaila Rege, Rtn. Seema Patole, Youth Director, Rtr. Kasturi Khutale, President – Rotaract Club of Ruia College, Ms. Anushree Ghogale, Teacher Coordinator and Rtn. Archana Khale

The Interact Club banner was unveiled by Rtn. Dr. Arun Garg, PR Shaila Rege, Principal Pardeshi, Rtr. Kasturi, and Interact President Intr. Walodra Tarun Naresh, marking the formal birth of the club's identity.

A delightful cultural performance by students followed. Despite a brief technical glitch with the sound system, the young dancers performed with remarkable energy and confidence — embodying the Interactor spirit of resilience and joy.

The heart of the ceremony was the official installation. Rtn. Dr. Arun Garg presented the gong, gavel, collar, and charter to Intr. President Walodra Tarun Naresh, who then addressed the gathering with a thoughtful and enthusiastic vision for the year. The pinning ceremony followed, as the core team and all Interactors received their pins with pride.

INSTALLATION OF INTERACT CLUB – DADAR VIDYA MANDIR

Speeches from Principal Pardeshi, Rtn. Seema Patole, Rtr. Kasturi Khutale, PR Shaila Rege, and Chief Guest Rtn. Dr. Arun Garg were filled with encouragement, highlighting the importance of youth leadership and community service.

A beautiful gesture of gratitude was made by Ms. Nilima Patkar, who felicitated the Rotarians with potted plants — symbols of growth and nurturing — and gifted roses to all Rotaractors.

The event concluded with a heartfelt Vote of Thanks by Rtr. Shriya More. With around 60 attendees, including Interactors, Rotarians, Rotaractors, faculty, and guests, the ceremony ended on a warm and optimistic note — setting the tone for a meaningful and impactful year ahead.

WAY TO INDEPENDENCE - DONATION OF SEWING MACHINE

The Rotary Club of Mumbai Mahim (RCMM) continues to make a difference in lives through impactful grassroots initiatives. Recently, RCMM donated a sewing machine to Ms. Riya Parab from Malvan, enabling her to become self-reliant and support her family financially.

Riya comes from a humble farming background and has successfully completed a sewing course. Determined to earn a livelihood, she had been renting a sewing machine to take up stitching work. Recognizing her need and potential, Rtn. Rashmi Patil identified her as a deserving beneficiary and ensured smooth execution of the project.

The sewing machine was handed over to Riya on 22nd July, 2025 by Rtn. Rashmi Patil. This small yet significant support is expected to give wings to Riya's aspirations.

A heartfelt thank you to Rtn. Rashmi Patil for her thoughtful identification and dedication to seeing this project through.

SCHOOL UNIFORM DISTRIBUTION AT MANAV SHELTER HOME

Come June, and the markets bustle with students shopping for books, notebooks, uniforms, umbrellas, and raincoats. But not every child is fortunate enough to afford these school essentials. A request came through SAAD (Social Awareness Advocacy & Development Foundation) to Rtn. Usha, seeking support for providing school uniforms to the children of Manav Children Home in Panvel. The members of RCMM readily stepped up to help.

SAAD is a not-for-profit organization dedicated to the welfare of underprivileged women and children. In 2018, it established Manav Children Home, an open shelter home that offers comprehensive care for homeless and deprived children.

On 26th July 2025, school uniforms were distributed to the children—custom-stitched, since the students attend different schools. The donation was made possible through Ravi, a relative of Rtn. Usha.

The joy on the faces of the children, proudly dressed in their new uniforms, was heartwarming. A big thank you to Rtn. Usha for facilitating this thoughtful and impactful donation!

SCHOOL UNIFORM DISTRIBUTION AT SIR ELLY KADOORIE SCHOOL

Sir Elly Kadoorie School, established in 1875 and located in Mazgaon, Mumbai, is one of the city's oldest educational institutions. Affiliated with the Maharashtra State Board of Secondary and Higher Secondary Education, the school primarily serves children from nearby slum areas, many of whom come from single-parent families. The dedicated teachers work tirelessly to encourage regular attendance and actively promote sports, making full use of the school's excellent playground facilities.

On 30th July 2025, the Rotary Club of Mumbai Mahim distributed school uniforms to 60 deserving students. PR Shaila, along with Rtns. Lalit and Swati, personally handed over the uniforms to the children. The distribution took place in the welcoming and well-maintained school premises, making the experience even more fulfilling for all involved.

Special thanks to Rtns. Arati, Shaila, Vandana, Vasant, and Uma Sahasrabudhe for their generous contributions, which made this meaningful initiative possible.

FINDING YOUR PURPOSE – SESSION ON IKIGAI BY RTN. DR. AJAY DAREKAR

It was a truly enriching experience to attend the IKIGAI session conducted by Rtn. Dr. Ajay Darekar at Matunga Premier School. He engaged with students of Grade 10 and Grade 9 in two separate sessions, delivering a powerful and thought-provoking talk that left a lasting impression not just on the students, but also on the teachers and attendees present.

IKIGAI, a Japanese concept meaning “a reason for being”, was at the heart of his session. Dr. Darekar has a natural ability to connect with young minds, and he communicated the complex yet essential idea of purpose in life with remarkable clarity and simplicity.

Through a highly interactive approach, he encouraged students to reflect on five vital questions:

1. Who am I?
2. What is my unique ability?
3. Why do I exist in this world?
4. How can I make this world a better place?
5. What do I love to do?

FINDING YOUR PURPOSE – SESSION ON IKIGAI BY RTN. DR. AJAY DAREKAR

In an age where students often face confusion, peer pressure, and uncertainty about their future, this session came as a breath of fresh air. Dr. Darekar's insights helped students introspect, explore their passions, and begin their journey towards discovering their personal IKIGAI – a blend of what they love, what they're good at, what the world needs, and what they can be paid for.

The students were not only attentive but also deeply enthusiastic, engaging in meaningful conversations with Dr. Darekar throughout the session. His ability to simplify deep concepts and make them relatable to young minds truly made this session both impactful and memorable.

Such initiatives go a long way in shaping confident, self-aware, and purpose-driven individuals – and Rotary Club of Mumbai Mahim is proud to support such inspiring educational efforts.

RECOGNITIONS

Rotary has a meaningful tradition of recognizing Rotarians who go above and beyond in their service—both in community impact and club functioning. During the vibrant year 2023–24, Club Presidents were invited to recommend deserving members by submitting an online form with supporting justifications.

Heartiest congratulations to:

- Rtn. Seema Patole for receiving a Certificate of Appreciation for her outstanding contribution to Youth Service
- Rtn. Sunita Padwal for her dedicated efforts in Community Service
- Rtn. Shobha Karnik for her valuable work in Club Service

We are proud of their commitment and service with a smile!

Rtns. Seema, Sunita and Shobha receiving Certificate of Appreciation at the hands of AG Prakash Ruia

RECOGNITIONS

Rtn. Vidula and Rtn. Varsha were recognized for their generous contributions to The Rotary Foundation. They were awarded the prestigious 'PHF 2 Blue Stones Lapel Pin' and 'PHF 5 Blue Stones Lapel Pin' respectively, in appreciation of their continued support.

Rtn. Varsha receiving the Lapel Pin

Rtn. Sunita receiving the Lapel Pin on behalf of Rtn. Vidula

A WARM WELCOME TO NEW MEMBERS

We are delighted to welcome our new members into the Rotary Club of Mumbai Mahim family! Your presence brings fresh energy, new perspectives, and a shared commitment to service. Together, let us continue to make a meaningful difference in our community and beyond. Welcome aboard!

DISTRICT INITIATIVE & CO-HOST

1. Jeevandhara - Blood Donation Drive

On 1st July 2025, Rotary Club of Mumbai Mahim proudly participated in Jeevandhara, a joint blood donation drive organized by Rotary District 3141 at Dadar Railway Station (West), alongside nine other clubs. A total of 81 donors stepped forward for this life-saving cause. In addition to blood donation, pledge forms for skin and organ donation were actively distributed to raise awareness, and a CPR demonstration equipped the public with essential emergency response skills. RCMM was represented by five club members, five Rotaractors from Ruia College, and four from RCKCM. With placards in hand, our enthusiastic team engaged with passersby, encouraging them to participate. Special mention to our new member, Rtn. Swati, whose spirited announcements drew several donors to the camp. The event was a meaningful step toward building a more aware and health-conscious community.

Rtn. Vipul voluntarily donated blood at Andheri Railway Station.

DISTRICT INITIATIVE & CO-HOST

2. Anandotsav - Celebrating Doctor's Day with Senior Citizen

On 1st July 2025, District 3141 had organized a Musical Show as Celebrating Doctor's Day with Senior Citizen at Bal Gandharva Mandir Bandra West. From RCMC PR Shaila along with Rtns. Lalit, Pradeep and Seema attended the programme.
