R.I. PRESIDENT'S MESSAGE

MARCH 2021

In Rotary, 23rd February is our anniversary, and February is also the month when we focus on promoting peace. There is a reason for this: Contributing to peace and international understanding has been a high priority for us since our earliest days.

We are often asked: "How can we get involved in peace now?" There are many paths to peace in Rotary. Our youth programs point us in the direction of Positive Peace, as does the work of intercountry committees and the Rotary Action Group for Peace. Another path is the Rotarian Peace Projects Incubator (RPPI), an inspirational collaboration among Rotarians, Rotaractors, and Rotary Peace Fellows and alumni. Led by Rotarians in Switzerland and Liechtenstein, RPPI has designed 48 global projects that any club can support, either directly or through Rotary Foundation global grants. Nino Lotishvili and Matthew Johnsen, alumni of the Rotary Peace Center at Chulalongkorn University in Bangkok, Thailand, are two of the many volunteers. During my Rotary peace journey, I have learned how personal resilience helps build inner peace and

create sustainable outer peace. This was the inspiration behind the Women Peace Ambassadors for the South Caucasus project, which is based on my field research in Georgia. The RPPI team of Rotarians and peace fellows recognized the incredible potential of women from mixed-ethnicity families who live on borderlands to be role models for peace within and beyond their communities. Through workshops on building inner and outer peace that draw on the power of storytelling, 40 participants will be sharing their stories and reaching around 400 extended family and community members. These inspiring but marginalized women will reclaim their inner strength as peacebuilders at the grassroots level. In this way, we will take steps toward the sustainable, peaceful society we need so much, not only in our region, but throughout the world. — Nino Lotishvili I was excited to join the peace incubator project and to further strengthen my ties with Rotary's peace community by working with past and current peace fellows to develop these proposals. My team wrote five proposals — three in Bangladesh, one in Iraq, and one in Poland — that focus on the arts and on education to generate dialogue across religious divisions and avert the radicalization of young

people. I was inspired by how, despite the pandemic, we came together via technology with a vision to develop, test, and strengthen ideas and to produce workable solutions that clubs across the world can support to advance peace. I am excited to work with Rotary's peace community to transform these visions into reality. — Matthew Johnsen

Here is further proof that in Rotary, we prefer action to words. This is Rotary at its best. I encourage you to visit [rppl.ch](http://rppl.ch) to explore the projects and support them.

We have lasted 116 years because of our strong ethics, our passion for Service Above Self, and our unique approach to problem-solving. One of our greatest strengths is how we reach across our communities and across national, ethnic, religious, and political divisions to unite people of all backgrounds and to help others. This month, let's celebrate our history and the many ways that Rotary Opens Opportunities to advance world understanding, goodwill, and peace, our ultimate mission.

**Holger Knaack**  
President 2020-21

DISTRICT GOVERNOR'S MESSAGE

Dear Rotarian Friends

Time is really running very fast, now it is little easy to work compared to last few months,

Effect of the COVID-19 virus diminishing gradually which is really helping all of us.

This month we have arranged a Car Rally PRAVAS "Safar Shiksha Ka" or literacy, which is happening first time in the History of District 3060. We will Start from Veraval-Somnath and end the rally at Dhule at the end of 7 days, during this rally we will visit our district's permanent projects of all the clubs.

We have been receiving 100+ registrations everyday, members are participating willingly and welcoming rally to their clubs warmly, many congratulations to Event chair Rtn. bhavnesh Mehta & Team RC Bhavnagar royal and Team Pinnacle for their efforts. By this rally many club's permanent projects will get highlighted.

it's a proud moment for us that our PDG Dr. G K Thakral is being appointed as District coordinator for COVID-19 vaccination task force for the year 2020-21. Many congratulations to him.

We have announced Paul Harris Challenge for improving Districts Membership, I wish that each club of the District will participate and install more members to take their club on top level.

Congratulation to RC Ankleshwar to sponsor satellite club of Jaghdia. We have installed 2 new clubs RC Surat Metro and RC Thasra this month, many congratulations to Membership chair Rtn. Amardeep Singh Bunet and Team. A warm welcome to our new club Members.

Here I want to appeal and remind our AG's of team Pinnacle that only 5 months are left for the completion of the year and you all the AG's have promised to sponsor a new club, if you need any help regarding making new club you can take help of Membership chair Rtn. Amardeepsingh Bunet.

Our next monthly public image project is Dhamal Gali - The Fun street, Which really connects society to Rotary, we will do it on two dates 21st Feb 2021 and 14th March 2021, it is subject to government election and COVID guidelines, hope clubs will start preparing for it and make it happen.

Again I want to say that COVID is getting lighter and we have also started participating in many other events and activities, so now we can also start our regular meets and fellowships and projects too.

We are working on Foundation and Membership tremendously but now it's a time to become best performer let's get start work on it from today.

hope to see you all at Car rally in maximum numbers,

Think Big - Believe Big - Act Big  
And the result will be Big

**Rtn. Prashant Jani**  
District Governor

## CLUB PRESIDENT'S MESSAGE

DEAR ROTARIANS,  
ROTARY GREETINGS

Rotary has always been ahead to make positive difference amongst communities. RI President for the RY 2021-22 Shekhar Mehta from India has announced the theme for the year "TO SERVE TO CHANGE THE LIVES". President strongly believes in strengths of all Rotarians and he feel we all have POWER and MAGIC to change the lives of many people across the globe.

DG Prashantbhai Jani and team pinnacles has been working tirelessly towards service projects as well as towards public image and membership too. DG has installed 7 new clubs in the district. We are now family of 5000 members in Rotary District 3060. DG have come up with the innovative idea of visiting all permanent projects under the project of "PRAVAS" with motive of spreading awareness about literacy.

Rotary Club of Navsari is the only Club who has taken a challenge to conduct a RYLA with prescribed guidelines and precaution along with Rotract Club of Navsari Young Turks. We have received an overwhelming response from the

participants and could manage to conduct few adventures activities. RYLA 2021 will be the event to be remembered. We also did our philanthropy work along with the celebration. We celebrated Rotary's 116<sup>th</sup> foundation Day with 'Shanti Yagna' at our upcoming permanent project of "Jyotiba Rotary Physiotherapy Centre", followed by wonderfully conducted entertainment evening by new member Rtn. Meghnaben Gandhi and Ann Nutanben Shah.

We identified the needy kids for the sweater distribution with the help of Rtn. Dr. Tejalben Desai. We also installed hand wash station under the chairmanship of PP Dhruvbhai Bhatt (District Coordinator for WINS) and Rtn. Pinaben Patel at 3 identified location viz one at bus station and two at nagarpalika schools. We also share pastries at infirmary like every year, sponsored by Ann Maharukh Kolah .

We completed another series of Webinars conducted by Dr. Dharmeshbhai Shah on Emotional Quotient and it has been highly appreciated across all age group. We also donated sum of eleven thousands to in Shree

Rushabh Siddhi Jivdaya Gaushala Dham. A speaker meeting was conducted by Rtn. Dr. Chirag Gandhi on covid vaccination and he has patiently explained its approach and its need.

Rotary Club of Navsari has been gear up to inaugurate yet another permanent project of physiotherapy centre, in just 2 months of time after possession of the place. The new place is in the centre of the city and going to be well equipped. The project have received major financial support by Rtn. Kantilal L. Shah. Chairman PP Vistasp Kolah and his army has taken up the challenge to complete the work in less than 60 days of time. We will witness history in making.

We all are eagerly waiting for the unveiling of the state of the art Physiotherapy centre. We are eight months into a RY 2020-21 and it feels that there are many projects yet to be done. I am sure with members like RCN have, we would be able TO CHANGE MANY LIVES in coming days.

-Rtn. Dhaval Sanjay Choksi,  
President
