This Does Not Seem Like A Time For Great Optimism, But It Has To Be. Long Before Rotary Was Founded The World Cleat With Great Crises That Tested Humankind's Ability To Progress And Endure. In The Age Of Rotary, The World Has Faced Many Catastrophes: However, We Have Survived, And Every Step Of The Way. Rotary Has Helped The World Heal.

Every Great Challenge Is An Opportunity For Renewal And Growth. I Revealed The Theme Of Rotary Opens Opportunities At The International Assembly In San Diego Just As The COVID-19 Crisis Was Beginning But These Are Words That I Have Believed For Many Years.

Rotary Is Not Just A Club That You Join. It Is An Invitation To Endless Opportunities We Believe In Creating Opportunities For Others And For Ourselves. We Believes That Our Acts Of Service, Large And Small, Generate Opportunities For People Who Need Our Help, And That Rotary Opens Opportunities For Us To Live A Richer More Meaningful Life. With Friends Around The World,

Dear Rotarians,

Very warm Rotary Greetings to all of you. "Nothing happens by accident. You are exactly where you are meant to be"

July is the month of change in leadership in Rotary. A new Rotary year 2020-2021 start from 1st July and I appreciate to all of you. That you have Rotary Opens the Opportunity.

As a Governor I and Hita are more excited and encouraging all of you to grow Rotary. My best wishes to all RC Navsari members "Don't ask yourself what the world needs ask yourself

Dear Rotarian, Rotary Greetings,

I would like to take a moment to Express my Gratitude towards all the members of my Rotary Club of Navsari Family for giving me this opportunity to lead our club this year.

I cannot thank you enough for mentoring me over these years. Your continued support and encouragement are truly appreciated as we navigate this difficult pandemic. IPP Daisy Bodhanwala and Hon. Secretary Rtn. Jigneshbhai Parekh has given us a wonderful rotary year and heartily congratulation for successful year as well.

The installation ceremony was held on 4th July 2020 with our respected Chief Guest PDG Dineshsinhji Thakor who managed to be with us even from a different country. PDG Dr. Nilax Mufti, Guest of Honor preceded with the installation ceremony.

R.I. PRESIDENT'S MESSAGE

Are Based On Our Core Values.

Governments And Institutions Are Gaining A Greater Appreciation For The Types Of Public Health Partnerships That Are Critical To Our Work. People Stuck At Home, Eager For Greater Connections And Hungry To Help Their Communities. Are Now Embracing The Values We Have Promoted Since Our Beginning.

All Of This Is Positive News, But Just Because There Are Greater Opportunities Than Ever For Rotary To Thrive Dose Not Guarantee That We Will Succeed. The World Is Changing Rapidly-and Was Doing So Even Before This Crisis People Were Starting To Move Away From Regular Lunch Meetings And Toward Online Gatherings. Friendships Were Being Cultivated And Revived In Social Media Relationships Even Before Most Of Our Meetings Moved To Zoom And Skype. Younger Generations Have A Strong Desire To Serve-but Have Questioned Whether They Could Play A Meaningful Role In Organizations Like Rotary Or Whether They Might Make A Blogger Impact Forming

what makes you alive. and then go and do that. Because what the world needs - is people who are alive".

PRESIDENT'S MESSAGE

Rotary International President Holgar Knaack quoted that "Rotary isn't just a club for people to join, but rather an invitation to endless opportunities". Taking this thought forward we shortlisted many innovative upcoming projects.

Different Types Of Connections. Now Is The Time To Put Everything On The Table Test New Approaches And Prepare Rotary For The Future.

The COVID-19 Crisis Has Forced All Of Us To Adapt This Is Good And Our New Action Plan Specifically Calls On Us To Improve Our Ability To Adapt. But Adaptation Is Not Enough. We Need To Change. And Change Dramatically If We Are To Face The Challenges Of This New Age And Provide The Rotary The World So Desperately Needs.

This Is Our Great Challenges Not Just In The Next Year But Into The Foreseeable Future It Is Up To Remake. Rotary For These New Times -to Wholeheartedly Embrace The Ideas Energy And Commitment Of Young People Eager To Find An Outlet For Idealism, We Must Become An Organization Fully Enmeshed In The Digital Age Not One That Simply Looks For Online Ways To Keep Doing What We Have Always Done.

Holger Knaack
President 2020-21

But we must grow our services, good permanent project, public image. And most important we must grow our membership.

Let us start the year with full of Expectation, Enthusiasm, Hope and Commitment.

Spread your wings and achieve your Goals. The sky is limit.

Heart to Heart project has been arranged with the help from Multiple Organisations associate with Cardiology & its Research to specially diagnose congenital heart diseases in infants as well adults. **Box Cricket League** with lots of fun and laughter. The ultimate measure of a man is not where he stands in the moments of comfort and convenience, but where he stands at times of challenges and expectation. The great news is that times always flies no matter what. I am extremely humbled to see the response and gratitude of my fellow members who have come forward during covid-19 pandemic. We left no stone unturned even during this tough times and tried our best to provide as much as we could for our community.

Looking forward to a great year ahead.
