Most importantly, President Pinkalba Desai's dream project “પુસ્તક સાથે પરિચય” was launched at our Rotary Hall on 19th August. Our guest speaker was **Dr. Jay Vashi**, who himself is an avid reader and has developed a unique library in the midst of a farm to encourage young minds to “READ” & acknowledge the power of books. We had an unexpected but most encouraging visitor with us that day. It was MSP Project Chair **Rtn. Nimeshbhai** From RC Jamnagar. He has a personal library of over 3,000 books. Who better than him to be present with us on this landmark day. President Pinkalba has kept the library open to individuals of any age group between 10 am to 12 pm on the 1st & 3rd Sunday of every month. A teacher is a teacher, is teacher, is a teacher And teachers like President Pinkalba who love teaching, teach children to love learning and reading!

“HAPPY THURSDAYS”

Mother Teresa so rightly said, “If you can't feed a hundred people, then feed just 1.” At RCN we have been celebrating “HAPPY THURSDAYS” since last 3 years. In this project, Rotarians visit Navsari Civil Hospital and serve breakfast & tea / coffee to the patient's relatives every Thursday. Rotarians, Anns or their relatives, friends are the donors. Here are some glimpses....

આરંભ - The 82nd Installation Ceremony

Our very own Rtn **Dr. Tejalben Desai** has become “**Inner Wheel District Chairman**”.
A proud moment for all of us.

RCN acknowledged her feat & honored her!

તંત્રી લેખ...

Hello, Rotarians ! Many congratulations ! Chandrayaan 3 was launched & successfully reached the south pole of the moon and our President launched her dream project “પુસ્તક સાથે પરિચય”. ISRO’s scientists are now aiming for the sun & we at RCN are aiming to reach the light of service & helpfulness.

We started the RY 2023-24 with “આરંભ”, our 82nd Installation Ceremony. On 1st July, Rtn. Pinkalba Desai accepted the leadership mantle from Rtn. Sasit Desai and Rtn. Krina Vashi took over her duties as Hon.Sec. from Rtn Dr. Nimit Gandhi. The Installing Officer was DGN Amardeep Singhji Bunnet. He was accompanied by first lady Mrs. Bunnet. The Chief Speaker was Mr. Ankit Desai. It was memorable evening which heralded a new innings @RCN for 2023-24.

And two months have just flown by with projects, speaker meetings and fellowship gatherings. RCN has experienced an amalgamation of service & amusement. RCN will continue in this way and help to “**CREATE HOPE IN THE WORLD**” !

Jai Bharat!

Jai Rotary!
