તંત્રી લેખ...

Season's greetings & HAPPY NEW YEAR to all !!

Wishing every Rotarian a satisfying & service oriented year ahead !

2023 marked a year of natural & man made disasters & strife. There was economic turbulence as well by the collapse/buyout of regional banks in the world. Technologically we witnessed a continuous rise in AI. In the world of sports, there were many upsets and many dark horses emerged as winners. All in all, it was year of ups & downs. Our club too had many “UP” moments but we also lost our dearest “Jatinkaka”, one of your oldest & key member. We are 6 months down & 6 months to go. Wishing good luck to President Rtn Pinkalba, Hon. Sec. Rtn Krina Vashi and their plans for the first half of 2024. “**HOPE IS A WAKING DREAM**” and we @ RCN are all geared for 2024 to “**CREATE HOPE IN THE WORLD**”.

HAPPY 2024 !!

Jai Bharat!

Jai Rotary !
