Cricket Tournament

PRESIDENT'S MESSAGE

RTN. RAJESH PATEL

Dear friends,

Wishing you all a very Happy New Year!!!

We are half way through the current Rotary Year. In the last few months we have done many meaning full projects in diverse fields, with focus on one motto, of making lives of the economically poor better.

December was a very happening month where RC Valsad organized **"Cricket Tournament" at BDCA Cricket Stadium**. With the efforts of **PP Dharmin Desai, Rtn. Chirag Desai & Project Chair Rtn. Tarang Shah**, members had a memorable day of playing cricket in a real cricket stadium, truly it was an out of the world experience. RC Valsad is

thankful to the **BDCA President C.B Desai and Secretary Janak Desai** for providing us the venue. Our permanent project "HUMF" is doing great work, 25 nutritious food kits and 200 hand gloves were distributed at PHC Vankal. Big thanks to PP Shantu Vasava, who has already committed to sponsor this project for the rest of the year.

With the weather turning very cold RC Valsad distributed **100 Sweaters to the students at Bhagda Khurd School, Project Chair Rtn. Devangi Desai** took care of this worthy project. The school needs a fresh coat of paint, doors for toilets & lighting. We also look forward to install a smart class there.

Friends we are **looking for sponsors** for this project.

RC Valsad sponsored a football team which went to take part in **Football Tournament at Gandhinagar**, all with the efforts & support of **PP Hitesh Patel**.

"Welcome 2021" was organized at Padmavati Nagar, with a good number of members and their families attending the program. Songs, Dance, Games and Tambola were played. It was a wonderful program, meeting friends after all these months of isolation, everyone had a gala time. **Event Chair PP Sunil Jain** and the team organized a very well planned evening.

With the motivation & support of IPDG Anish Shah & PP Jignesh Vasani, RC Valsad is looking forward to take up a permanent project, and members are requested to come up with some **plans and ideas for this permanent project**.

Work is moving with good momentum at RC Valsad!

Take care & be safe!

Regards,

Rajesh Patel.

CANCER VAN

Cancer is becoming the **leading cause of deaths** in our country. Late detection and cost of treatment of the disease becomes one of the main reason for the disease spreading so fast. An **early diagnosis** in majority of cases can drastically **reduce the rate of fatalities** due to this disease. **Screening** is a method by which cancer can be **detected at a very early stage**, felicitating immediate treatment and cure for the disease.

Rotary Club of Valsad in its continuing endeavour to provide better facilities and opportunities to the society has joined the **Rotary Foundation Global Grant of Rs. 1.35 Crore**, for this **CANCER SCREENING VAN**. RC Valsad is part of the global grant initiated by **RC Gandevi and RC Chikhli Riverfront** for this medical van. This screening van has facilities to screen for:

1. **Breast Cancer.**
2. **Cervix Cancer.**
3. **Oral Cavity Cancer.**
4. **Prostrate Cancer.**
5. **Nose, Ear & Throat Cancer.**

This van will surely play a vital role in early detection of this disease and its cure, directly increasing the life expectancy of the cancer patients in our region.

RC Valsad thanks the donors for this project:

MILESTONES OF ROTARY

DID YOU KNOW!?

WHAT IS A SATELLITE CLUB?

Rotary has had satellite clubs **since 2013**. At first, satellite clubs were for people who wanted to join Rotary but didn't have a large enough group to start a club. Unlike regular Rotary clubs, which require 20 members to start, **a satellite club can form with just eight members**. Satellite clubs also give community members and Rotarians the chance to make a positive difference in a club environment that often differs from their local Rotary club. Like all Rotary clubs, satellite clubs **hold regular meetings, have bylaws and a board, and get involved in community service projects**. A local Rotary club sponsors the club and provides advice and support. **Satellite club members are Rotarians**. Officially, they are members of the sponsor club. **When a satellite club grows to 20 members or more, it can choose to remain a satellite to its sponsor club or it can apply for a charter to become a standalone Rotary club**. Some clubs prefer to continue as satellite clubs regardless of their size and enjoy the benefits of being tied to their sponsor club. You decide what's right for your members.

Satellite Clubs are an extension of a Rotary Club.

Satellite Club

They do not have their own charter, constitution or bylaws.

They can have a differing "model" to offer more flexibility and attract members that may not have ever joined the Rotary Club as-is.

They may look and feel like a separate club because they will have their own leadership and committees. Their leadership roles and committees are to be in close partnership with the sponsor Rotary Club.

The purpose is not only to run independent projects and fundraising - it's creating additional opportunities for all members to get involved where they are passionate. The focus should be joint involvement and joint support.

इतिहास के पन्नों से

PP SHANTU VASAVA

Dear friends,

I became a Rotarian in the year **2012-13**. I was invited by then Rotary president **Rtn. Chetan Khakhkhar** to join Rotary Club of Bulsar, during his tenure. I had the privilege to serve as Hon. Secretary of the club in the very next year 2013-14, when Rtn. Bharat Bhanushali served as the president of RC Bulsar. During the year as Hon. Secretary of the club, I learnt a lot about the functioning of the club.

In the year **2015-16**, I had the honour of becoming the **president** of Rotary Club of Bulsar. The Installation Ceremony for the year 2015-16 was held at Rotary Hall on Saturday 27 th June. **PDG Dr. NILAX MUFTI was the Installing officer and PDG CHANDRAKANT B. DESAI graced the ceremony as the Chief Guest.**

During my year as the president of Rotary Club of Bulsar, we undertook 15 main service projects as per the guidelines from our **District Governor Parag Seth**. Blood Donation Camp, Tree Plantation, Cyber Crime Awareness, Medical/Health Check up Camp, Traffic Awareness Camp, Spreading message of Cleanliness, Women Empowerment, Run for Rotary, Career Counseling, and Family picnic.

During my year our club had sponsored Ms. Zeel Mehta daughter of Rtn. Nimesh Mehta as **Long Term Rotary Youth Exchange** program student and in return our club had hosted Ms. Anna Julia from **Dist 4500 Brazila** for one year.

During the year RC Bulsar inducted 9 new members.

I revived RC Bulsar's monthly Club bulletin "**Mango City**" which had been in sleep mode since many years. I wished to publish it in e – format during my tenure and hoped, it would be continued thereafter.

Mega Medical/Health Check up Camp was organized at Atak Pardi Primary School. 11 doctors from different fields of specializations were invited for this camp. The doctors who gave their services on the day were PDG Dr. Nilax Mufti, Dr. Shailaja Mufti, Dr. Mahendra Vasave, Rtn. Dr. Nilesh Talekar, Dr. Mitesh Modi, Dr. Dharmesh Parekh, Dr. Dhruvi Patel ,Dr. Swetal Pastagia. Dr. Ankur Talivia, etc.

District organised **NOSTALGIA at GOA** on 13-15 March 2016. Anish Shah, Minaxi Vasava, Hitesh Patel, Binish Desai, Myself and RYE student Anna Julia had participated in the event.

Group Study Exchange Team consisting of 5 members from Turkey was hosted by RC Bulsar.

Rotary District Conference "**RANN MAITRI**" was held at TENT CITY, BHUJ in the month of January 2016. 54 members from RC Bulsar attended the District Conference.

Continue..

Rotary club of Bulsar since its inception achieved highest ever TRF contribution of US Dollars 14500 during my tenure. I became a Major Donor in one single donation to the Rotary Foundation.

Over all it was a very happening year and lot of work was done for the economically weaker section of the society.

EDITOR'S NOTE

Time flies and we need to realize that in this flight we are the pilot. The COVID-19 pandemic made 2020 not the best of the years and now in the New Year, it automatically means entering a wonderful year! As the Buddha said **"No matter how hard the past, you can always begin again."** The way forward is **CHANGE** and **ADAPT**. So comes a New Year, Let's make it ours. There is a vaccine that brings hope of protection. It is also the dawn of a new awakening in Rotary. In order to be successful in 2021 we need to unlearn our old ways and learn to adapt according to the circumstances including being tech savvy, **develop a positive attitude**, take care of our health, value each day as a gift from the Almighty and also realizing that service benefits both the giver and the receiver.

This will be link between those people who want to dispose their stuff which they are not using any more and giving it to needy people with dignity and respect.

Each Rotary club is expected to establish Rotary Swamman Store. Swamman Store will collect all the item like old pressure cooker, cloths, TV, Mixer, Newspapers, Magazines, Books like any unwanted house hold goods after getting repaired, washing, cleaning and repacking such goods will be sold by Swamman Store with very nominal charge occurred in repairing and refurbishing.

ROTARY MEANS BUSINESS

Why Rotary Means Business (RMB) Is Important?

- RMB brings back original focus of Rotary's founders: **BUSINESS NETWORKING**
- RMB's separate structure for bringing "business" back into Rotary supplements rather than competes with the service and fellowship aspects of Rotary
- RMB provides opportunities for potential members to experience the value of Rotary
- RMB supports member retention as Rotarians see the value added to Rotary by RMB
- When Rotarians' businesses are stronger, our members can create stronger Rotary clubs
- With stronger members, Rotary will be stronger, The Rotary Foundation is stronger, and therefore we are able to do more to support Rotary's mission, both locally & worldwide

The strength we bring to our communities begins and ends with strong businesses working together guided by the 4 Way Test.
