ROTARY MEANS BUSINESS

Why Rotary Means Business (RMB) Is Important?

- RMB brings back original focus of Rotary's founders: **BUSINESS NETWORKING**
- RMB's separate structure for bringing "business" back into Rotary supplements rather than competes with the service and fellowship aspects of Rotary
- RMB provides opportunities for potential members to experience the value of Rotary
- RMB supports member retention as Rotarians see the value added to Rotary by RMB
- When Rotarians' businesses are stronger, our members can create stronger Rotary clubs
- With stronger members, Rotary will be stronger, The Rotary Foundation is stronger, and therefore we are able to do more to support Rotary's mission, both locally & worldwide

The strength we bring to our communities
begins and ends with strong businesses
working together guided by the 4 Way Test.
