# PRESIDENT'S MESSAGE

**RTN. RAJESH PATEL**

**Dear friends,**

At the outset, I trust you and your family are safe and in good health. As an integral part of our club evolution and growth, I am very pleased to inform you of a special milestone that we are approaching in our club's journey in the very near future – **We will be part of the prestigious 100+ member's clubs.** There are very few such clubs in our district 3060. Month of August is designated as membership month and with the vision **“Each One Bring One”** RC Valsad **inducted 7 new members**, taking the club member tally to 96, **i.e. four short of a century.**

Friends it is my keen wish to reach this milestone at the earliest. I request you to bring your friends, in the fold of Rotary Club of Valsad.

Rotary Club of Valsad officially handed over the **State of the Art, high value “VENTILATOR”** to Kasturba hospital. This ventilator will surely prove to be a boon for the people of Valsad and its surroundings, in present time of Covid pandemic. RC Valsad is doing projects that are of importance in this Covid-19 times. We are distributing Masks, PPE Kits, Hand Sanitizers, and Nutritive Food Kits. Packed Lunch was arranged for the children at Dharasana Orphanage. Many meaningful projects are being regularly done for the benefit of the community as a whole. All this is possible only with your support and time.

Friends in the month of September, we will be also taking up projects in the field of literacy, very soon we are coming with Teachers Talent Search **“GURU DEVO BHAV-2020”** this will be a Mega Pan India Online Competition where we are looking forward to huge participation.

RC Valsad is trying its best to help and make a difference in the life's of the under privileged and the needy. Together we can and we will keep doing good work, as we all know that when we move united, we can move mountains and when you are going in the right direction and doing selfless work **“GOD”** is always in your team.

**Thank you for your support and encouragement at each step.**

# GLOBAL GRANT

**NO. - GG2013273**

COVID-19 has hit mankind as a catastrophe. When even the developed countries like US and Italy which have advanced medical infrastructure are dealing with the onslaught of this virus, in India we are grossly unprepared, As the corona virus pandemic spreads its wings, the biggest challenge before those dealing with it is to prevent a situation where the number of patients requiring critical care far outstrip the healthcare infrastructure available right now in the country. Also the most affected are the children below 10 years and the elderly above the age of 60. While the Indian Council for Medical Research, the country's apex body in this field, predicts that India may need thousands of ventilators if the corona virus scenario worsens, experts say the number may run into several Millions specifically the Children and Elderly. Considering the phenomenal requirement of ventilators in developed nations such as Italy, India would need 80-100 times the available number of ventilators to prepare for a worst case scenario. **There are around 40,000 ventilators currently in the country;** India needs to prepare for 200,000 considering the worst case scenario, based on an average stay of 21 days for a corona virus patient on ventilator, as against an average patient's stay of two days.

**The objective of this project is to provide High End Ventilator to charitable Kasturba Hospital in Valsad District so that they can have Ventilator for critical patients. The High End Ventilator is capable to serve Neonatal-Paediatric-Adult patients (All 3 in 1) Ventilator.**

The Kasturba Hospital, a Trust Hospital with lowest charges in entire District is located in Valsad which is a District Headquarter with mostly economically background population. The Hospital is being operated by qualified Doctors, technicians and supported by trained nurses. Further, the hospital would provide the Ventilator to the critical care patients for other section of the society at a very subsidized rate.

**The proposed project of**

**1 High end Neonatal-Paediatric-Adult patients (All 3 in 1) from Bellavista Ventilator Machine ,  
1 Adult Ventilator Machine from Vella,  
1 High Flow Nasal Oxygen Therapy Machine Airvo-2**

which will be new machines implemented by Rotary Club of Valsad in the hospital which is in their vicinity who have the basic infrastructure required for the centre and hospitals would be responsible for the day to day running of the centre (including doctors, nurses and other manpower) and adhering to the laws and regulations of the government.

**The total cost of project - Rs.38,65,960 (US\$ 51547)**

# MILESTONES OF ROTARY

## DID YOU KNOW!?

**THE 4-WAY TEST** - One of the most widely printed and quoted statements of business ethics in the world is the Rotary "4-Way Test". It was created by **Rotarian Herbert J. Taylor in 1932** when he was asked to take charge of the Chicago based Club Aluminum Company, which was facing bankruptcy. Taylor looked for a way to save the struggling company mired in depression-caused financial difficulties. He drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company was credited to this simple philosophy. Herb Taylor became president of Rotary International during 1954-55. **The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways.** The message should be known and followed by all Rotarians.

"Of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?"

# MY ROTARY EXPERIENCE

## RTN. DR. ANKITA MARJADI

Hi! friends,

It's been three years now since I became a Rotarian and I can say that it has been a wonderful experience. After joining Rotary, I came to know the different avenues of work done by Rotarians. How a pack of note books, a raincoat, packet of food and sweets can bring such a beautiful smile on the faces of children. I am humbled to be a part of few projects myself namely **Menstrual Hygiene & Good Touch Bad Touch**. These subjects look of very less importance for social work but if we go into depth, we will realise how important these subjects are for the better health & safety of the girls & women, and we as Rotarians are trying to make a difference in the betterment of society as a whole. Everyday we hear news of rape, molestation & exploitation, making the children aware about it and raise voice against it is the work that Rotary is doing. Synonymous with philanthropy since more than 100+ years now. It is one such organization which lives up to its commitments to bring a difference in the society. Its been a privilege to be a part of Rotary. There have been so many projects which are taken as per the current situation. Sanitization and Hygiene, Food, etc. the need of the hour & Rotary has been actively making sure to provide for that. Its been a very fruitful experience. I acknowledge the hard work and resources put in by the Rotarians who work with dedication and commitment to make this happen.

2. Rtn. Dr. Sunil Deshpande - Rs.3000/-

The total contributions received during the month of August Rs. 13500/-

Rtn. Dr. Shailaja Mufti,  
Club Secretary.

## EDITOR'S NOTE

After the first issue of "MILESTONE" was appreciated by all, the tension was palpable for us, the first time editors to maintain the standards.

August with its major thrust towards adding new members to the Club, was a grand success. We kept doing many meaningful projects through the month.

This is a bulletin of the club but we regret that we are still lacking support from the members in providing us the required inputs to **publish a very informative and attractive bulletin.**

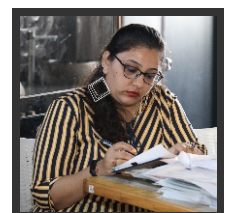

We are learning and adapting very fast to this changed scenario due to the pandemic, with unlock-4 already announced, we look forward to some stability soon.

# ROTARY SWAMAN STORE

## Why Swaman Store?

This will be link between those people who want to dispose their stuff which they are not using any more and giving it to needy people with dignity and respect.

## Project Need

Some people don't take stuff, if it is given free, because their dignity don't allow them. We can give a message to society, 'To Live With Respect' through Swamman store.

## Example

If anyone wants to dispose old pressure cooker as they have purchased new then Swamman Store will collect the old pressure Cooker from them and if repair needed then will repair after that it will be ready for selling at a very nominal price like Rs.50/- .

## What Rotary Club can do?

Each Rotary club is expected to establish Rotary Swamman Store. Swamman Store will collect all the item like old pressure cooker, cloths, TV, Mixer, Newspapers, Magazines, Books like any unwanted house hold goods after getting repaired, washing, cleaning and repacking such goods will be sold by Swamman Store with very nominal charge occurred in repairing and refurbishing.

## Material Need

### *Place for collection Center*

- *Salaried Staff (1)*
- *Vehicle*
- *Contact Number*
- *Billing & Accounts System*
- *Store Payment Apps (for financial Transaction ID)*

## Impact & Sustainability:

Needy people will live with respect even though, taking advantage from Swaman Store. This will be a self sustainable & permanent project.

# ROTARY MEANS BUSINESS

## Why Rotary Means Business (RMB) Is Important?

- RMB brings back original focus of Rotary's founders: **BUSINESS NETWORKING**
- RMB's separate structure for bringing "business" back into Rotary supplements rather than competes with the service and fellowship aspects of Rotary
- RMB provides opportunities for potential members to experience the value of Rotary
- RMB supports member retention as Rotarians see the value added to Rotary by RMB
- When Rotarians' businesses are stronger, our members can create stronger Rotary clubs
- With stronger members, Rotary will be stronger, The Rotary Foundation is stronger, and therefore we are able to do more to support Rotary's mission, both locally & worldwide

The strength we bring to our communities begins and ends with strong businesses working together guided by the 4 Way Test.

## African region declared free of wild poliovirus

Reference: [www.endpolio.org](http://www.endpolio.org)

In a historic and vital step toward global eradication of polio, which is **Rotary's top priority**, The World Health Organization (WHO) on 25 August 2020 announced that transmission of the wild polio virus has officially been stopped in all 47 countries of its African region. After decades of hard work gains in the region, Rotary and its partners in the Global Polio Eradication Initiative (GPEI) - WHO, U.S. Centers for Disease Control and Prevention, UNICEF, the Bill & Melinda Gates Foundation, and Gavi, the vaccine alliance — are proclaiming the milestone an achievement in public health.

They offer it as proof that strong commitment, coordination, and perseverance can rid the world of polio. The last cases of polio caused by the wild virus in the African region were recorded in Nigeria's northern state of Borno in August 2016, after two years with no cases. Now that the African region is free of wild poliovirus, five of WHO's six regions, representing more than 90 percent of the world's population, are now free of the disease. Polio caused by the wild virus is still endemic in Afghanistan and Pakistan.

## The Rotary Award of Honor

Source: [www.rotarynewsonline.org](http://www.rotarynewsonline.org)

**PRID Sushil Gupta** has been conferred with **The Rotary Award of Honor**. Rotary International President honors individual Rotarians and Rotaractors, who have demonstrated exemplary service to the Foundation and have received the Citation for Meritorious Service at least four years prior. In a letter sent to Gupta, Maloney said: "I am very pleased to inform you that you have been selected to receive the Rotary Award of Honor in recognition of your long and successful service to Rotary. It is my honor and privilege to have recommended you for this recognition, and the Rotary International Board of Directors has approved my recommendation." Congratulating him on behalf of the RI Board, Maloney said, "Through your dedication and tireless efforts, Rotary is a force for doing good in the world. You have dedicated your life to Rotary since 1977. In those 43 years, you have served Rotary in many important positions including as a member of the Rotary International Board of Directors and as a Trustee of The Rotary Foundation.
