Annual Fund-SHARE of The Rotary Foundation

The Annual Fund is the main funding source for Foundation programs. Gift to TRF empowers Rotarians to carry out sustainable service projects in community and around the world. At the end of each year, contributions directed to Annual Fund-SHARE from all Rotary clubs in the district are divided between the World Fund and the District Designated Fund.

The Rotary Foundation uses the World Fund to support Rotary's highest-priority grants and programs, which are available to all Rotary districts. Rotary district uses

the District Designated Fund to pay for Foundation, club, and district projects the clubs in district choose.

The Rotary Foundation is an organization one can support with confidence. The Rotary Foundation dedicated about 90 percent of our total spending to programs over the past 10 years, far exceeding the efficiency standards set by independent charity-rating services.

Reorganization for Support to TRF The Rotary Foundation offers the following individual and club recognition to express gratitude to Annual Fund donors. Visit rotary.org/ for a complete list of donor recognition opportunities.
