R.I. PRESIDENT:
FRANCESCO AREZZO
ROTARY DISTRICT GOVERNOR:
RTN. AMARDEEP SINGH BUNET

Message from the President Rtn. Kaushal Sheth

It is with great pride and gratitude that I stand before you today, as the President of the Rotary Club of Bhavnagar. This is truly an honor, and I want to take this moment to express my heartfelt thanks to the past leadership for their dedication, vision and for all the tremendous work accomplished in our community.

As we reflect on the past year, I am deeply inspired by the incredible projects we have undertaken and the lives we have touched. Every success we've had is a testament to the power of collaboration, service and Rotary's commitment to improving our world. Together, we have made a meaningful impact, and I know we are just getting started.

Looking ahead, my vision for the year is to build on the remarkable foundation that has been set. I am committed to strengthening the bonds between us, ensuring that every member has a chance to be involved and to contribute. Together, we will continue to focus on increasing our outreach and making sure that our service projects remain impactful. I believe we can achieve even greater things if we "UNITE FOR GOOD" with a shared purpose and continue to be guided by the values of Rotary.

But above all, I believe in the power of each and every one of you. This club is successful because of the dedication and passion of its members. As a President, I am here to serve with integrity and commitment, but it is your ideas, your energy and your willingness to work together that will truly take us forward. So, I invite you all to join me in this journey. Let's continue to uphold the Rotary motto, "Service Above Self", and focus on what we can do together to serve our community and beyond. This year will be one of growth, unity and meaningful service - and I am excited to see what we can achieve together.

Thank you for placing your trust in me. I look forward to serving as Club President, and I am confident that, with your support, we will make this a year to remember.

Thank you once again.

Rtn. Kaushal Sheth.

Editorial

Since its introduction in the year 1988-89, Rotary Rhythm has always been a distinct media, which commands one to believe in Rotary and envisages one to uphold the values and objects of Rotary.

Reading Rotary Rhythm makes one very much sure of the closeness towards the organization, the one which has been ranked among the best in the town. At every insertion, the Rotary Rhythm carries for Rotarians, the sense of belongingness towards Rotary and inclines each one reach every segment of Rotary deeds. The function and purpose of the bulletin remains incomplete unless each and every member has a profound reading of it. It does make sense when every Rotarian has a typical excitement in waiting for the issue of the bulletin, because you have an added attachment for giving the laurels to the Rhythm.

Like every leaders of Rotary in this organization, President Rtn. Kaushal and the Hon'ble secretary Mahipal and their team of 2025/26, has begun the year well organized with utmost calculative approach so that it becomes a memorable and as well ensuring the Rotarians to feel blessed in being associated with this elite organization.

Have a joyful reading and enjoy Rotary.
