CORPORATE SOCIAL RESPONSIBILITY (CSR) CORNER In October 2020 Meeting, Trustees have approved Rotary's CSR India Grants that will be effective from 1 July 2021. Here are some salient features of Rotary's CSR India Grants: ▶ Minimum CSR contribution will be US\$21,000, including 5% additional contribution to offset administrative expenses. ▶ Sponsors may add cash contributions along with 5% additional contribution to offset administrative expenses if sent to RF(I). ▶ Districts may allocate portions of their district grant to augment specific CSR India Grants while applying for District grants. ▶ The Foundation will not provide matching funds from the World Fund. ▶ CSR payments may be made by the corporation after e-approval of the CSR India Grants

application. ▶ Grant reporting will remain the same. Please note that the Foundation will accept CSR contributions under the existing CSR pilot global grant program on or before 31 March 2021. Also, the grant applications under the existing pilot program using these CSR funds will be accepted only up to 30 June 2021. The Ministry of Corporate Affairs has issued Companies (Corporate Social Responsibility Policy) Amendment Rules 2021 dated 22.01.2021. The full text of the Circular is available at: https://www.mca.gov.in/Ministry/pdf/CSRAmendmentRules_22012021.pdf. Please connect with CSR staff at RISAO, bhawna.verma@rotary.org and reeti.mondal@rotary.org for your possible queries.

Message from Trustee Chair PRIP K R Ravindran

Dear Rotarians,

This has perhaps been the most turbulent year of this generation — we faced a global health crisis, natural disasters, and economic turmoil all at the same time and the whole world was affected. Through it all, Rotary has stood tall. We have heard stories of some amazing acts of generosity and personal acts of service by clubs, Rotarians, and Rotaractors.

The Rotary Foundation has been proud to support our members' efforts in serving their communities. Since March 2020, we awarded \$32 million in global and disaster response grants for projects related to COVID-19. In fact, we awarded 1,359 global grants worth \$95.6 million in 2019-20. Compare that to 2013-14, when global grants were first introduced, when we awarded 868 global grants worth \$47.3 million. That's a lot of growth! All over the world, Foundation grants are supporting projects that demonstrate Rotary's impact and reach.

Because the high demand for global grants is far exceeding and outpacing the growth in Annual Fund contributions, the World Fund is depleted well before each Rotary year ends and we find ourselves in a position where we cannot fund all the global grant requests we receive.

This Rotary year, we've taken several cost-saving measures in an effort to fund more global grants. For example, the

Trustees and the Board recently transferred \$15 million from the Foundation's operating reserves and Rotary International's budget surplus to the World Fund. In total, nearly an additional \$20 million is being made available this year, but unfortunately, even that is not enough to fulfill the applications that are expected to be submitted.

A financial shortfall is expected this year and likely in the coming years because of the growing success of our global grant program.

Therefore, the Trustees have approved policy changes, effective 1 July 2021, that will strengthen the Foundation's ability to fund more global grants.

1. District Designated Fund (DDF) contributions transferred to PolioPlus will be matched at 50%.

DDF contributions transferred to PolioPlus will be matched at 50% instead of 100% by the World Fund before being matched by the Bill & Melinda Gates Foundation. The Gates Foundation will continue matching 2-to-1 every dollar that Rotary commits to polio eradication, up to \$50 million per year.

It's vital that we continue to raise \$50 million a year for polio eradication and raise awareness by keeping it a top priority for our clubs, our communities, and our government officials.

ROTARY INTERNATIONAL NEWS AND UPDATES

2. The World Fund match of DDF will be reduced from 100% to 80% when being used for global grants.

Instead of DDF applied to global grants receiving a 100% match from the World Fund, the global grants match will decrease to 80%. For the 2020-21 Rotary year, as long as funds remain available, DDF will continue to be matched at 100% for applications submitted by 31 May and approved by 30 June. Applications that are not approved this Rotary year will need to be resubmitted with adjusted financing.

3. Five percent of the current year's Annual Fund-SHARE contributions will be taken equally from the World Fund and DDF to help fund operating expenses.

Currently, Annual Fund-SHARE contributions are split equally between the World Fund and DDF, with 5% of the total SHARE contributions being deducted only from the World Fund to help pay for operating expenses.

Beginning 1 July, all Annual Fund-SHARE contributions will first have 5% directed to operating expenses and the remaining will then be split equally between the World Fund and DDF. For example, a \$100 contribution will generate \$5 for operating expenses and the remaining \$95 will be divided equally, with \$47.50 for DDF and \$47.50 for the World Fund.

4. The ability to roll over unused DDF will be limited to five years. At the end of each Rotary year, DDF that has been held for more than five years will be applied at the district's discretion to PolioPlus, area of focus Endowment funds, the general Endowment Fund (including the Rotary Peace Centers), the Disaster Response Fund, or the World Fund. The first DDF

rollover redirection will take place 1 July 2026.

Annual Fund donors give with the expectation that their contributions will be used promptly to help communities, but the amount of rollover DDF each year remains high. On 1 July 2020, \$48.8 million was carried into the current Rotary year. Let's put these funds to use to increase the impact we make through our programs.

Starting on 1 July 2026, districts can choose how to apply any rollover funds remaining from 2020-21 as outlined above. If a district doesn't advise the Foundation about how to direct those funds, the rollover DDF will automatically be directed to the World Fund.

Your Trustees have spent a considerable period of time deliberating these issues, and these policy changes are the result of careful thought and planning. Balancing financial resources with program demands is challenging for any nonprofit, and adjustments and difficult decisions are sometimes necessary to cope with the changing situation.

We'll be hosting webinars in the coming weeks to talk about these changes in more detail. You'll receive a separate email inviting you to those sessions. In the meantime, you can direct immediate questions to rotarysupportcenter@rotary.org.

Keeping our programs strong and growing relies heavily on the continued generosity of our members to the Annual Fund-SHARE. We are committed to careful stewardship and prudent investments that will provide more funding for grants and Foundation programs.

We appreciate your cooperation and understanding.

Sincerely,

K. R. Ravindran

2020-21 Trustee Chair, The Rotary Foundation

Message from IPDG Anish Shah

Dear Rotarians of D3060,

I am HAPPY to share with you the details of all the “SEVEN Awards” received by our District at recently concluded “Rotary Zone Institute” for the year 2019-20 :

We received THREE Awards in the category of TRF.

1. HIGHEST ALL INDIA POLIO FUND CONTRIBUTION
2. HIGHEST CONTRIBUTION TO POLIO FUND

Friends, I dedicate these TWO POLIO AWARDS to our PDG Parag & Punam Sheth for their generous contribution of \$1,00,000/- towards Polio Fund. Without their contribution, our District would not have received these awards.

3. HIGHEST DONOR PARTICIPATION (PERCENTAGE WISE)

I take this opportunity to thank our DRFC Ashish

Ajmera, Counsellor Ashok Panjwani & entire TRF Team for motivating our Rotarians to contribute at least \$25 to TRF.

We received TWO Awards in the category of Public Image.

4. SOCIAL MEDIA AWARD &
5. PRINT MEDIA AWARD

I would like to thank DPIC Bhavesh Vegda, Counsellor Parag Sheth & entire PI Team for enhancing PI of Rotary in our District.

6. SECOND HIGHEST MEMBERSHIP GROWTH
7. SECOND HIGHEST MEMBERSHIP GROWTH (PERCENTAGE WISE)

I am deeply thankful to DMC Amardeep Singh Bunet, Counsellor Hitesh Jariwala & entire Membership Team for working Day & Night to achieve our goal.

We take this opportunity to acknowledge the support & guidance given to us by our Iconic leader Kalyan Da & Dr Manoj Desai along with all our beloved members & their family of COG.

Last but not the least, we would like to thank our District Training Team, Torchbearer District Team, Presidents, Secretaries & Rotarians of all the clubs in helping us to create a New Milestone in the History of District 3060.

Regards,

- Swati & Anish Shah

Rotary in Future... Visualization of New Gen. Rotarians

Hello Friends,

It is my great honour and privilege to be inducted as a Rotarian of Rotary Club of Bharuch 2020-21.

I take great pride to belong to a family of Rotarians and in being a third generation Rotarian. I thank President Talkinbhai and Secretary Rizwana for giving me this opportunity and considering me

worthy of representing this prestigious organization. Rotary to me means, Community Service- reaching out to the less privileged and supporting them in a small way.

My personal experience of Rotary is to enjoy Friendship and Fellowship, Community Service and interacting with like – minded individuals who are dedicated to Rotary's motto of "Service Above Self " and their contribution to many great humanitarian projects. Rotary is a wonderful

opportunity to make friends, learn about various subjects, networking with Business people and Community Leaders. As rightly said, "Rotary Opens Opportunities" for someone to make a real difference in so many different ways- This is what makes Rotary so special !

The future of Rotary depends on its future members and their living up to the ideas and devotion to service. Areas of Focus in the near future –Maternal and Child care, Basic Education and Literacy, Water and Sanitation and engaging in Youth Development Programs , Friendship and Relationship building, Personal and Professional Development.

Rotary is the best way to serve the community. It is a joy of giving .I would like to congratulate President Talkinbhai and his team for their outstanding work, in this COVID Pandemic crisis. It is very commendable.

I look forward to serving in the World's Oldest, Largest and Finest Service Organisation.
