Little Feet, Big Dreams

th

November Children's Day Celebration

President's Pen

Dear Rotarians,

December marks Disease Prevention and Treatment Month, a time when Rotary International emphasizes the importance of combating global health challenges through awareness, access, and sustainable healthcare solutions. Rotary Club of Bharuch has been actively contributing to this mission for years, undertaking impactful initiatives to promote community health and well-being.

The club has done a remarkable job in disease prevention through various medical camps and health check-ups, which have greatly benefitted the local community. Regular Thalassemia screening camps, like the one at Shri Jayendrapuri Arts and Commerce College that tested over 700 students, have been pivotal in early detection and prevention.

Dental awareness camps in schools have educated children on oral hygiene, fostering preventive care from a young age. Health check-up camps for underserved communities have ensured timely diagnosis and treatment, preventing minor ailments from turning into severe health concerns.

Rotary Club of Bharuch has also organized initiatives like organ donation awareness sessions, inspiring

individuals to pledge their organs to save lives. Addressing health and nutrition, the club has distributed nutritious food to children in Aanganwadi schools, ensuring better health outcomes for the most vulnerable.

Through its vocational centers, the club promotes health education and preventive healthcare, empowering individuals with knowledge to lead healthier lives. The club's contributions to larger causes, including polio eradication and COVID-19 awareness drives,

highlight its commitment to tackling global health challenges.

These efforts reflect the Rotary Club of Bharuch's unwavering dedication to building healthier communities and align with Rotary's vision of creating lasting, positive change. As we observe Disease Prevention and Treatment Month, the Rotary Club of Bharuch stands proud of its contributions and remains committed to expanding its reach and impact in the years to come. Together, we continue to serve and save lives.

- Rtn Rachana Poddar

President - 24-25

RC Bharuch

Project at a Glance

Hand Hygiene Project : A meaningful community service project - "Hand Hygiene" focused on promoting health and hygiene, at M. I. Patel Rotary Youth Center. Children in slum areas were educated on the importance of proper handwashing techniques and distributing soap to encourage good hygiene practices.

Moments of Fun, Joy and Sweet Memories : Children's Day celebration at the Aali Kachiyawad slum area. The event was filled with joy, laughter, and memorable moments as we engaged the children with fun games and activities. The smiles on their faces truly demonstrated the Magic of Rotary in action! A heartfelt thanks to Rtn. Krunal Chavda, Rtn. Gunjan Mehta, and Interactor Hritvi Mehta for their exceptional support and efforts in making this event unforgettable for the children. Together, we created moments of happiness for these wonderful children.

Bird Rescue Project Planning Meeting : A planning meeting for the Bird Rescue Project, an initiative aimed at saving and caring for birds injuries during the upcoming Kite Festival at MIPRYC. Embers of RC bharuch shared their ideas, expertise, and enthusiasm to making this project a success.

Midlife Women Wellness : Rotary Club of Bharuch successfully organized an insightful session on “Midlife Women Wellness” by the eminent Dr. Yuvraj Singh Jadeja, a renowned Gynaecologist and IVF Specialist.

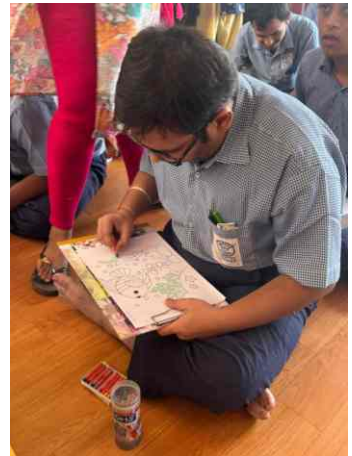

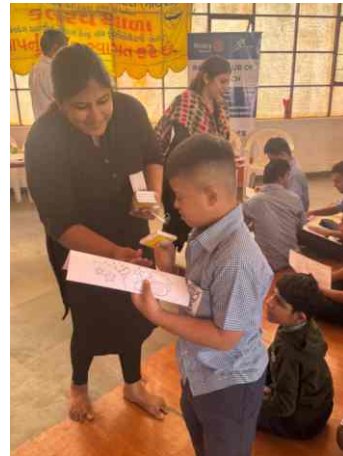

Dr. Jadeja shared valuable insights into navigating the health changes women experience during midlife. He laid emphasis on holistic wellness, encompassing physical, mental, and emotional health. The session fostered a deeper understanding through awareness, with practical tips and advice on managing midlife transitions effectively. The session was highly appreciated by all attendees, who found it to be both informative and enlightening. We extend our heartfelt thanks to Dr. Yuvraj Singh Jadeja for his time and invaluable contributions. A special mention goes to Ann Aarti Ruia for all the coordinations with the doctor which ensured the event's success.

Project at a Glance

Happy Moments : Fun and Fellowship with the Specially-Abled Children of Kalrav School was a heartwarming experience, filled with joy, laughter, and the true spirit of Rotary.

A special thanks to our Rotaract members and team for their unwavering enthusiasm and creativity in entertaining the children with engaging activities and games. Their efforts brought endless smiles to their faces and made this day truly unforgettable. We created Cherished memories that will be treasured by everyone involved.

Vyasan Mukti Abhiyaan - Sheri Natak : In an initiative to promote awareness about the dangers of addiction, the talented members of Rotary Community Corps (RCC) Bharuch performed an impactful Sheri Natak (street play) at Timken India Ltd as part of the Vyasan Mukti Abhiyaan.

The play creatively depicted the harmful effects of addiction on individuals, families, and society while motivating everyone to embrace healthier, addiction-free lifestyles. The employees and audience at Timken India Ltd were deeply engaged and moved by the powerful message delivered through this vibrant performance. We extend our gratitude to Timken India Ltd for their support in hosting this meaningful event and to our RCC members for their dedication and creativity in driving such impactful social change. Together, let's work towards building an addiction-free community.

Project at a Glance

People Live When People Give : Rotary Club of Bharuch, in collaboration with TIMKEN India Ltd, successfully organized a two-phase Blood Donation Camp. The event witnessed enthusiastic participation, contributing significantly to this life-saving cause.

In the first phase, we partnered with the Civil Hospital Blood Bank (KCMRI) and in the second phase, with the Red Cross Blood Bank. Together, we collected a remarkable number of 130 units, showcasing the spirit of generosity and community support among TIMKEN employees.

We extend heartfelt thanks to TIMKEN management for their unwavering support, the dedicated teams of KCMRI Hospital and Red Cross, and all the donors who made this initiative a grand success. A special note of appreciation goes to Rtn Dr. Suresh Rao for his efforts in coordinating seamlessly with the blood banks and ensuring the smooth execution of the camp.

Gift a Life, After Life : Rotary Club of Bharuch conducted an insightful Organ donation awareness session at TIMKEN Company. The event aimed to educate employees about the significance of organ donation and its life-saving impact. Through detailed discussions and interactive participation, attendees gained clarity on the process and benefits of organ donation.

The initiative aligns with Rotary's commitment to creating a healthier and more compassionate society. We extend our gratitude to TIMKEN for their support and to everyone who actively participated in this noble cause. Together, we can make a difference!

Vocal for Local : Rotary Club of Bharuch in association with Rotaract Club invited Mr. Apurva Pandya as guest speaker in "Vocal for Local" along with weekly general meeting. It was a spectacular meet as he shared glimpse of their hard work and success stories in this meeting.

We believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care.

Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

Our Impact On Disease

The Rotary Foundation is changing the world by providing grants for projects and activities around the globe and in your own backyard.

Rotary makes amazing things happen, like:

Providing clean water: Rotary has worked with partners to provide more than 80 percent of Ghana's people with clean water to fight Guinea worm disease.

Reducing HIV infection: In Liberia, Rotary members are helping women get tested for HIV early in their pregnancies. They used prenatal care to reduce new HIV infections in children by 95 percent over two years.

Ending polio: Rotary members have played a key role in bringing the world to the brink of polio eradication. Their efforts have not only ended polio in 122 countries but also created a system for tackling myriad other health priorities, such as Ebola.

K4Knowledge: Facts to make you smart

"Venice Barrier Project"

The Venice Barrier Project is a landmark climate change solution. Project required 30 years of planning and 20 years of construction. Project was started in 1987 which consists of 78 rotating gates, each 92 feet long, 65 feet wide and weigh 300 tons. Gates are designed to keep the sea water from entering the lagoon and Venice City. Project is an integrated system consisting of row of mobile gates, installed on the seafloor that can be raised to temporarily seal off Venetian Lagoon from Adriatic Sea to protect the Venice City from tides of up to 9.8 feet. It is world's largest flood prevention project with an approximate cost of rs 50,000 Cr.

EDITORIAL MESSAGE

Dear Readers,

In the ever-evolving rhythm of our daily lives, we often overlook one of the simplest yet most profound joys: reading. Books, magazines, and even short articles possess the power to transport us to new worlds, expand our perspectives and enrich our understanding of life.

Reading is not just a pastime; it is an invitation to dream, to learn and to grow. Whether it's a gripping story, a thought-provoking essay, or a slice of wisdom tucked away in a bulletin magazine like this one, every piece of writing carries the potential to ignite our imagination and sharpen our intellect.

Our Rotary Bulletin is a testament to the incredible wealth of ideas, creativity and voices that surround us. By reading, you not only support the efforts of those who contribute but also invest in your own intellectual and emotional well-being.

We encourage everyone to make reading a habit—a few minutes a day can open doors to boundless opportunities. Share what you learn, discuss what moves you and inspire others to join this journey of discovery. Together, let us cultivate a culture where reading thrives and ideas flourish.

Happy reading!

- Rtn. Dr. Pragati Barot
