A very happy Independence Day month to my dear RCBSians!

It was indeed a good start of the month with all festivities; Ram Mandir Shilanyas, Krishna Janmashtami, Pious Paryushan and Ganesh Chaturthi to list a few. Also August is a membership month of Rotary; the best time to introduce someone to Rotary.

To support this, we had an orientation with KJIT and NRTI colleges for formation of Rotaract clubs. Change comes to us when we least expect it. And often change is thrust upon us. But instead of being comfortable with old problems, I am happy that we are seeking for new solutions.

We have done 12 meetings this month including wonderful fellowships and fruitful projects with so many clubs jointly - which depicts that the buzzwords defining Rotary today are connections, collaboration and communication.

The new rotary is not restricted to meeting rooms, halls and hotels.

It has come to our living rooms, kitchens, bedrooms; in fact every nook and corner of our houses.

I feel we have come more closer to each other ; as everyone is sitting in their comfort zone and attending the meeting without any hassle of getting dressed up, saving the travel time and many such factors.

New members are getting gelled faster and participating actively in all the events .

A Rotary club ; a place to relax, a place of belonging, a place where the member's talent, time and contributions are valued, a place where service above self is truly felt by sinking into the 4 way test values is truly coincided with RCBS. Let's keep up this spirit together; let's accomplish more. Happy reading!

**Regards,
Rtn Vaishali Shah
President 2020-21**

EDITOR'S message

Dear fellow Rotarians,

"Sunflowers turn according to the position of the sun. They chase the light." But have you ever wondered what happens on cloudy and rainy days when the sun is completely covered by clouds? They turn towards each other to share their energy. Nature has so much to teach us. Many people may be low-spirited at this time, and most vulnerable ones may become depressed. So, let's support each other like sunflowers do. Let us remain in contact with our near and dear ones.

Festivals have started. Each festival has its own uniqueness, but they all are times to enjoy with family and friends. Festivals bring happiness and positivity. People are finding new and creative ways to celebrate these festivals.

We are also finding new ways to keep members engrossed in our monthly newsletter. Every month, we have decided to acknowledge one member who has participated in most of the activities in that month, is active in discussing matters related to club and has added value to the club.

We thank members for participating in our newsletter quiz of last month and we look forward to more members participating every month.

Congratulations to PRID Shushil Gupta for The Rotary Award of Honor.

PRID Sushil Gupta has been conferred the Rotary Award of Honor by Rotary International by the RI Board of Directors, 2019-20, headed by President Mark Maloney.

The Rotary Award of Honor is Rotary's highest and most respected recognition. The award was established by RI in 1990 to be given to heads of state and other dignitaries who have made a significant contribution to international understanding and goodwill. Recent recipients of the award include His Holiness Pope Francis, Pranab Mukherjee, the President of India, Queen Elizabeth II, and Bill Gates.

Congratulations Rtn. Jennifer Jones nominated as the First Woman RI President of 2022-23!

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female

membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

A current Rotary Foundation trustee, Jones has been a Rotary member since 1997 and has served Rotary as RI vice president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary's Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts.

Jones recently led the successful #Rotary Responds telethon, which raised critical funds for COVID-19 relief and was viewed by more than 65,000. Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation's Arch Klumph Society, Paul Harris Society, and the Bequest Society.

PRAYERS

Rotary Club of Baroda Sayajinagari is deeply grieved at the sad demise of **Ann Binota Banerjee**, wife of PRIP Rtn. Kalyan Banerjee on 1st August 2020.

Mrs. Binota Banerjee was instrumental in promoting education and health care in Vapi, a place which was totally barren when they first arrived in late 1960's. She was very compassionate and cared for every person she met.

May God give strength to her husband Rtn. Kalyan Banerjee, son Kanishka and daughter Roma to bear the loss.

Did You Know?

Karen Kendrick-Hands, Communications director, Environmental Sustainability Rotary Action Group (ESRAG) tells why environment fits into Rotary's areas of focus: Any project in any area of focus will benefit from having environmental sustainability as one of its watchwords. It's a lot harder to supply clean water to people if your watershed is compromised—if your river is full of industrial, human, and animal waste. Basic education and literacy is a challenge when kids are sick because the school well is contaminated. Health is affected when insects carrying diseases expand their geographic range due to changing climate patterns. Water wars and climate refugees will make achieving peace and conflict resolution more complicated. Economic development is slowed when there's

not adequate energy. Rotary would do a huge service to the world if it moved every water project from a diesel pump to wind or solar. That's a project that's scalable.

Ann Dr. Archana Mishra's (Principal of Navrachana Vidyani school) interview has been featured as the cover story in the 'Teachers.in' magazine.

In her interview, she commended the collective efforts of all stakeholders, students, teachers and parents, in adapting to the 'new normal' of virtual schooling and compared her own role to that of an orchestra conductor who creates music by unifying the diverse elements harmoniously!

Rtn. Priti Shrimal wrote an article on change in curriculum for the students; which is need of the hour in an educational magazine - 'The Progressive School', published quarterly.

Congratulations to **PP Rtn. Kalpesh Shah**, Executive Director, BNI Baroda for putting BNI on top of all of 1092 regions & 74 countries.

A poem on current pandemic condition Corona penned by our Ann Sangita Inder Matai

Corona corona Corona
Kaise yeh mahamari hai
Charon disha mein is shabd ki
Sunai deti yeh kilकारी hai
America ka ho yaa ho Russia
London ho yaa ho Spain
India ho yaa ho Pakistan
Ek hi sawaal puchhe yeh duniya
China tune kiya kaisa khel?

Social distancing ke naam per
Bahaar kadam rakhne se darta insaan
Haath milana, gale lagaana
Maano ho koi kal ki baat
Mask, sanitizer ho gaye aam

School, College yaa ho office
Cinema, restaurant yaa ho Park
Khali sadke puch rahin ho humse
Yeh kaisee mahamari hai
Yeh Kaisee mahamari hai

Shat shat Naman karte hain Covid warriors ko
Phir woh Doctor ho yaa Nurse
Phir woh police ho yaa safai karamchari
Jaan pe jo Khele apni
Salaam Kare Duniya saari.
