3. Will it build **GOODWILL & BETTER FRIENDSHIP**?
4. Will it be **BENEFICIAL** to all Concerned?

Dear RCBSians,

Warm Greetings to you from my side during these beautiful chilling days!!

I would like to congratulate RCBS for the successful official club visit by our District Governor Rtn Prashant Jani accompanied by First Lady Rtn Hita Jani. Despite these challenging times, the RCBS team has put together a wonderful year so far and we plan to do so in the next half, too. Successful implementation of our global grant project- handing over of Covid and Respiratory Ward to Kashiba Children Hospital was the highlight of the December month.

A true Rotarian is one who contributes to the community, especially during the times of need to make the world a better place. Rotary Opens Opportunities. We have lined up various projects for the humanitarian services throughout-the year which connects us with

many focus areas of rotary and many of our RCBS members, Anns , Annets , Roteractors and interactors have been involved in such activities. I would like to invite each one of you for your active participation in at least one activity to create a significant outlook for the rest of the community on the coming months.

RI President Knaack wants "clubs to focus on keeping current members engaged and adding new members who are the right fit for your club". We have inducted two new members this month who will be adding their esteemed value to our club; which has been always looked upon for organic growth of club membership.

As the Rotary Founder respectable Paul Harris has said, "This is a changing world;

We must be prepared to change with it. The story of Rotary will have to be written again and again." We all will remember 2020 as a year of great change and strength for us; as Rotary didn't stop, despite the pandemic.

Let's transform challenges into opportunities.

Let's get ready to embrace 2021 with the good things it has treasured for us!

With the earnest season's greetings,

**Yours in Rotary,
Rtn Vaishali Shah**

EDITOR'S message

Dear Rotarians,

Wow, what a year! As we bid adieu to the year 2020, we take a moment to think about what the year gave us. Although it was the most trying year of our lives that everyone witnessed, we cannot help but feel extremely blessed to have survived one of the worst year of our lives.

But as it is said "one day you will tell your story of how you overcame and what you went through and it will become someone else's survival guide", this year has made us strong, fearless, wise and patient "sunsets are proof that endings can be beautiful too!". So Goodbye 2020 and cheers to 2021.

Ann Hetal Gandhi & Ann Kajal Doshi
Bulletin Editors 2020-21

HUMF

1st DECEMBER 2020

Project HUMF was conducted at GMERS hospital which was sponsored by **Rtn Sanjay Shah** in memory of his mother Late Hansaben Premchandbhai Shah. 75 packets of nutritious jaggery and chana were distributed by hospital staff in the maternity ward.

PROJECT PRATIBHA

RCBS has joined hands with Project Pratibha - launched by district 3060. Under this project every week one moral story is sent to the students and in the last week of the month an evaluation form is sent to them to know the understanding of the stories. Our three GYANJYOT Schools have enrolled for the same and nearly 1000 students are gaining from this moral building exercise.

OMORI INDIA PROJECT

2ND, 16TH DECEMBER 2020

RCBS Omori India project for plastic waste collection at Madhavnagar has been regularly conducted by the team of **Rtn Suneet Dabke**. In this month the collection of plastic waste was done twice aggregating 505 kgs. Soaps and brinjals were given to the villagers as incentive.

A talk on cancer care health plan was organized by **Rtn Nita Kalpesh Shah**. Various cancer insurance plans were discussed. RC Baroda Jawaharnagar and RC Vadodara One also joined for the meeting.

“આગ લાગે ત્યારે ફૂવોખોદવા ન જવાય” We need to be prepared before the crisis hits us. **Mr. Sanjay Solanki** explained how Cancer mentally and financially drains you so it's better to buy a policy which can be helpful in future. Mr. Solanki has 33 years of experience with LIC of India and he ranks among the top 20 Development Officers in India. The session was very informative.

Hand wash station was donated near Samta Police chowki at the marketplace ground where more than 50 laariwalas sell food and everyday minimum 500 people gather at the place. Vegetable market is also held at the same place in the evenings! Taking into consideration Covid times as well as health and hygiene of the residents and citizens, RCBS is creating such hand washing facilities at various public places.

We once again thank **Rtn Kashyap** and **Ann Moksha Shah**, **PP Rtn Dr Ashwinbhai** and **Rtn Suneet Dabke** for all the support.

Ann Moksha Shah, **Rtn Bhargav Bhatt** and **Annet Meet Bhatt** were present for the event. Proposed member **Ms Aarti Vikal** also attended the project. The hand wash station project was covered in the newspaper as well as on **Spark TV** - local news channel. The event was attended by corporator **Ms. Radhika Bhatt** and ACP **Bakul Chaudhri**. **Rtn Dr. Ashwinbhai Shah** has been a great support for conducting various activities around the city which are beneficial to the society.

The Closed Body was held for the single point agenda of **Election of RY 21-22**. **Election Officer PP Rtn Chandrajit Shah** declared the results of the Incoming Board and Chairs of 21-22 under the leadership of **PE Rtn Rachana Parekh**.

Official Club Visit of **District Governor Rtn Prashant Jani**: 18th December 2020 was the biggest day for RCBS being the official club visit of the esteemed District Governor. Meeting was conducted in the presence of **Rtn Prasant Jani**, First Lady **Rtn Hita Jani** and AG **Rtn Anil Jain** with president **Rtn Vaishali Shah**, Hon Secretary **Rtn Sneha Ramani**, president elect **Rtn Rachana Parekh** and president nominee **Rtn Minal Shah**. Club working and strategic planning was discussed in depth and honourable DG gave insight into working of the club.

Divyanshi Jayant Sanghvi Rotary Respiratory Ward at Kashiba Children Hospital was inaugurated with the worthy hands of **DG Prashant Jani**, Vadodara BJP President **Mr Vijay Shah** in presence of other rotary members and hospital dignitaries.

This was followed by meeting with club members. District Governor, Assistant Governor and First Lady discussed about the further goals for the next six months of the Rotary year 2020-21. Meeting started with prayer by **Rtn Rachana Parekh**, 4-way test by **Rtn Milind Gogate** and presidential address by president **Rtn Vaishali Shah**. The president gave a detailed report of the working of the club so far and goals for the coming months. Two new members - **Rtn Arti Vikal** and **Rtn Darshan Chandan** were inducted by the Governor. New members Rtn Jayprakash Rao and Ann Vandana Rao and Rtn Kevin Gadhiya also remained present and met DG during the fellowship. DG, AG and First Lady congratulated the president for leading the club in an excellent manner with buzzing projects and events during these tough times. Hon Secreary **Rtn Sneha Ramani** ended the meeting with vote of thanks followed by sumptuous lunch. The beautiful venue for the meeting, Gaekwad Baroda Golf Club was admired by one and all.

It was a big day for RCBS as we donated **Divyanshi Jayant Sanghvi Rotary Respiratory Covid ward** to Kashiba Children Hospital with the help of Rotary International and term gift by Donor **Mr Jayant Sanghvi**. The international partner is **Rotary Club of Sarasota Sunrise, USA**. The ward was inaugurated and handed over along with two ventilators and other seven

peripheral machines to the hospital with worthy hands of our honorable District Governor **Rtn Prashant Jani**, **Dr Vijay Shah**- President of BJP and Assistant Governor **Rtn Anil Jain** in presence of KGP president **Mr Surendra Doshi**, Secretary **Dr Jagdish Patel**, other doctors and RCBS members at 10:30 am. The event was covered by **VNM** and **Spark TV**.

A little brief about the project is as under:

While Covid – 19 is spread across socio economic strata, this project aims to largely serve economically underprivileged patients (children up to 18 years of age) in Vadodara city and the District, who are Covid – 19 positive or suspected.

The objective of this project is:

- 1) To extend Covid – 19 treatment and ICU and NICU capacity by installing ventilators and supporting equipment
- 2) To provide healthcare professionals' safety
- 3) To create awareness in suburbs and slums about social distancing, sanitation/ hygiene (frequent hand wash, using protective mask, etc.) and staying indoors.

Past President **Rtn Chetan Dedhia** has been instrumental in getting the funds as well in executing the entire global grant with help of RCBS team members. We thought of initiating this global grant for Kashiba Children Hospital in the month of June after experiencing the COVID -19 pandemic.

With financial support of the donor - **Mr Jayant Sanghvi** (term gift of \$30000), **IPDG Anish Shah**(\$5000 from District Designated Fund), **PDG Parag Sheth**(\$1575 personal) **RC Sarasota Sunrise, Florida - international partner** (\$105) and RCBS (\$1066.51); The Global Grant team has been relentlessly working for the project since then and this day will be mentioned in golden words in the history of RCBS. Here, the club would like to once again recognise following donors from RCBS who have supported this noble cause. 1. **Rtn Chetan Dedhia** \$100 2. **Rtn Laxminarayan Garg** \$50 3. **Rtn Sandesh Garg** \$50 4. **Rtn Darshan Vyas** \$50 5. **Rtn Amit Talati** \$50 6. **Rtn Kevin Gadhiya** \$50 7. **Rtn Jayprakash Rao** \$200 8. **Rtn Vaishali Shah** \$50 9. **Rtn Sneha Ramani** \$50 10. **Rtn Pinakin Shah** \$50 11. **Rtn Sameer Kadam** \$50 12. **Rtn Minal Shah** \$100 13. **Rtn Parag Shah** \$100 14. **Rtn Kruti Shah** \$50.

Ventilators and other peripherals donated by RCBS are being used by Kashiba Children hospital and the hospital authorities have sent the above photographs with gratitude.

FELLOWSHIP-VISIT TO WADHWAN BIRD SANCTUARY

20TH DECEMBER 2020

Sunday was a beautiful first half spent with nature with a lot of insight into farmland and water land; migratory and local species of beautiful birds! Number of varieties and species of birds like White throat kingfisher, Swamp hen, Cormorant from harrows family, Spike kingfisher, Black headed buntings (farmland birds) Bronze head jacana, Egrets, Eurasian coot, Strawberry finch, Black Wing stilts, Whistling duck's Lesser cormorant Common pochard, Grey Harrows, River tern, Common kingfisher, Huppu Red crested pochard, Knob beak ducks, Harrier, Grey neck geese, Sand pipers, Woolly neck stork, Peri green falcon, Drongo, purple champagne, Indian roller, Rose ring parakit and many more were identified with the help of **Mr Chirag Munjani** - heritage and wildlife and bird expert. Everyone relished fresh Ponk after bird watching.

WOMEN POWER SERIES- CHRISTMAS TREATS

23RD DECEMBER 2020

We had an online session of Women Power Series wherein our multitalented **Ann Vaishali Bhayani** demonstrated Christmas Treats.

Vaishali, wife of Rtn Malay Bhayani, is associated with Rotary since many years. She earlier was a school teacher and now has taken on baking. She also makes handmade soaps under the brand of Cosset.

She showed how to make vanilla and chocolate muffins, ganache and cookies, very apt for Christmas. She gave a detailed and precise explanation, useful tips and cleared doubts of many. The icing on the cake was that our **new member Rachana Pritesh Gandhi** had kept all ingredients

ready and made cake along with Vaishali.

So, friends u all too try making the cookies and muffins at ur home and spread the sweetness.....

VIRTUAL MARATHON OF RCBS

26TH, 26TH AND 27TH DECEMBER 2020

(District) Rotary Virtual Marathon was organised by RC Rajkot Greater wherein many clubs of the district participated enthusiastically. RCBS whole heartedly participated in this event under the leadership of Marathon Chair **PP Rtn Birju Dixit** and more than 30 enthusiastic members, Anns and Annets registered and ran for the event.

Members who participated in Rotary Virtual Marathon

For 10 km

Rtn Birju Dixit, Annet Mudit Dixit,
PP Rtn Kalpesh Shah, Ann Purvi Shah,
Ann Moksha Shah

For 5 km

PP Rtn Chetan Dedhia 5 + 5km, Rtn Nishant Ramani, Rtn Sneha Ramani, President
Rtn Vaishali Shah, Rtn Amit Talati, PP Rtn Dr. Ashwin Shah, Rtn Devendra Shah, Ann
Manjoshree Shah, Rtn Kokila Kothari, Rtn Sanjay Shah, Rtn Darshan Vyas

PULMONARY FUNCTION TEST

26TH AND 30TH DECEMBER 2020

RCBS conducted Pulmonary Function Test for lungs and Thyroid Testing and checkup camp in collaboration with **Ganga Jamna Hospital** on 26th and 30th December respectively. PFT for lungs is generally done for post Covid treated patients as well as patients with Asthama and other breathing and lungs related illness. Thyroid disease is a medical condition that affects the function of the thyroid gland. The thyroid gland is located at the front of the neck and produces thyroid hormones that travel through the blood to help regulate many other organs, meaning that it is an endocrine organ. These hormones normally act in the body to

regulate energy use, infant development and childhood development.

SWEATER DISTRIBUTION

28TH DECEMBER 2020

“ આજે માથા ઝૂલઘાણીગામમાં
73 ઘર માં ગરમ ધાબળા,
60 બાળકો ને સ્વેટર અને કપડાં વિતરણ કર્યા.”

સ્વેટર નો સહયોગ:
શ્રી વૈશાલીબેન શાહ (રોટરીક્લબ, વડોદરા સયાજી નગરી)

આટલાં અંતરિયાળ ગામ માં સ્થાનિક મિત્રો અને અમારી છાત્રાલય નાં બાળકો
દ્વારા અમે પણ પહેલી વાર પહોંચ્યા.

સહયોગ આપનાર સૌનાં અમે આભારી છીએ.”

Alpesh Barot Lok Sahyog Trust

Sweaters were donated to tribal children in the extreme interior village of Rajpipla district where there is scarcity of all basic daily needs - like water and milk, too. We are extremely happy to have reached these children who really need help and resources to uplift their lives and living.

THYROID TEST CAMP

30TH DECEMBER 2020

Thyroid test camp was organised by RC Baroda Sayajinagari in association with Ganga Jamna Hospital- in assistance of **PP Rtn Dr Ashwin Shah, Ann Dr Parul Shah and Annet Dr Karan Shah**. Total 50 blood samples were collected for the same.

ROTARIAN of the Month- Award

Business baron with an altruistic heart; **Rtn Kashyap** and **Ann Moksha Shah** have been truly into their benevolent spirits when it comes to service to the stranded and the needy. Year after year they have been supporting many projects and activities with utmost spirit and enthusiasm. This year during the nine Navratri projects- the couple was kind enough to donate sewing and embroidery kits to 49 women of Naari Samrakshan Grih. These women learnt to make masks and also learnt embroidery skills which helped them earn some money and also learn a new skill. When president Rtn Vaishali approached Ann Moksha and explained her the use and benefits of hand wash stations, she readily agreed to donate 2 stations which are installed near Gorwa police station market and Pavagadh primary school. RCBS heartily thanks the couple for their generosity and may this gesture of theirs motivate other members to come forward for such noble deeds.

RCBS shines in Governor's Monthly Letter

Rotary District - 3060 **प्रलेख**

PRESIDENT'S MESSAGE

The first quarter of Rotary Year 20-21 is over within no time! Our beloved DG Rtn Prashant Jani and district team 3060 has given us a new normal where we have been attending almost all the virtual meetings like we customarily used to do - in person! Our efficiency levels have risen to set new bars for attaining the Service Above Self Motto. Winston Churchill once said, "We make a living by what we get, but we make a life by what we give." God has opened new opportunities for us to do what we used to and also what we never did! Service projects of all the clubs are getting innovative day by day and no power is stopping the district 3060 Rotarians to make this chanting the truth: "एदुमरे!" which means Not for me, but for You! The purpose of this is to remind ourselves that everything we do in Rotary is for the society.

I, Rtn Vaishali Shah am extremely thankful to my club RC BARODA SAYAJINAGARI for letting me serve as the president of the club for RY 20-21. We have been extremely lucky to carry on the legacy of ongoing permanent projects and also moving forward into new focus areas of supporting the environment by implementing the year round project of plastic and waste management. Also, the Swamaan Store project has become our pet project which we are scaling to make as our permanent one. HUMF, GYANIYOT, Netrajot have been our ongoing projects in the focus areas of literacy, maternal and child health and disease prevention and treatment.

With this indigenous district 3060 under one of the best leaders, I am sure we will all strive together to grab new opportunities and achieve higher goals. Let's keep our fingers crossed to meet very soon in person.

Rtn. Vaishali Shah
RC Baroda Sayajinagari

Proud moment for RCBS, as our **President Rtn Vaishali Shah's** president write up was covered in the Governor's Monthly Letter.

Rotary District - 3060 **प्रलेख**

CLUB ACTIVITY - PEOPLE IN ACTION

- Meal served to indoor patients at Government hospital by RC Tarapur
- 100 food packets and Diya's distributed to children by RC Rajkot Metro
- Clothes, food, winter wear, toys distribution by RC Baroda Sayajinagari
- Providing food to 250 people for 10 days by RC Ankleshwar

Rotary District - 3060 **प्रलेख**

CLUB ACTIVITY - PEOPLE IN ACTION

- LN4 Artificial hand fixing to 38 disables by RC Wadhwan City
- Conducted eye check up camp at Madhav Nagar with around 150 beneficiaries by RC Baroda Sayajinagari

It's been 5th month cosecutively and service projects have been highlighted and published in Governor's Monthly Letter.

SERVICE PROJECT RANKING DATA

MEMBERSHIP 81+			MEMBERSHIP UPTO 41 TO 80

10	Dhule Crossroad	21	10	Anand Milkcity	28

RCBS holds 8th position amongst category of 40 to 80 members in the service projects criteria.

Congratulations District Governor Designated RY 2023-24

Rtn Nihar Dave from RC Anand Roundtown has been Elected as DGND of RID 3060 for RY 2023-24.

Pinnacle as first position in India

It has been consecutive second month our RI District 3060 achieves first place in PAN India for doing highest number of service projects. Kudos to the efforts of Pinnacle Rotarians.

RCBS Project HUMF and Rotary Focus area of Material health and child care:

How the project HUMF of RCBS has been effective and RCBS is working wonderfully in this focus area of mother and child care and nutrition: Good nutrition and health care before a child's second birthday are vital to their future.

Most new parents mark their baby's progress in a series of milestones: first smile, first word, first steps. But pediatricians are focused on a milestone that might be less familiar: the first 1,000 days.

The phrase is shorthand for the period between conception and a child's second birthday, a critical time frame when nutrition, or lack thereof, can have lifelong consequences. Research in child development has shown that when mothers and infants are poorly nourished during this stage, the adverse impact on children's physical and mental development can have ripple effects throughout their lives. And much of that damage can never be undone, even with later interventions.

Children who get the right nutrition in the first 1,000 days:

- Are more likely to be born at a healthy birth weight
- Have a lower risk of many conditions and diseases, including obesity and type 2 diabetes
- Go on to be better learners with fewer behavior problems in kindergarten
- Enjoy improved health and economic security as adults

The 10 building blocks for nutrition during the first 1,000 days

- A nutritious diet for mothers during pregnancy
- Exclusive breastfeeding for the first six months
- The right foods introduced to babies at the right times
- Paid time off for working parents to care for their newborns
- Consistent access to enough nutritious food for families of young children
- Good care for all mothers during pregnancy
- Nurturing, responsive care and feeding of babies and toddlers
- A healthy and nutritious diet for babies and toddlers
- The right knowledge and skills for parents and caregivers to properly nourish young children
- Societal investments in the well-being of every baby and toddler

DISTRICT 3060 featured in Rotary India magazine

Our District Governor's article on Swamaan Store and various other projects had been featured in Rotary India.

Till October, 22 Swamaan stores have been opened across district 3060 to give dignity to poor families and give them utility products. These collected, repaired and repacked products are sold at modest rates of 20-100 rupees. He has also mentioned that around 1000 hand wash stations will be installed this year in schools and public places. Two cancer detection vans for mammography, Pap smear and oral cancer tests will screen around 75000 beneficiaries. A Mega rally from Somnath to Dhule will be flagged off in February to cover all the permanent projects of the entire district.

Rotary Foundation: Pride of Rotary International

It's a proud moment for the entire Rotary fraternity as the Rotary Foundation has been awarded with 4 stars for 13 consecutive years for collection of funds and doing charitable activities throughout the world.

The Foundation earned the recognition for demonstrating both strong financial health and commitment to accountability and transparency.

"We are extremely honored to be recognized," says Foundation Trustee Chair Ron Burton. "It represents the hard work and dedication of countless Rotarians throughout the world. They know their gifts will be used for the purpose for which they were given and that they will, indeed, make a real difference."

The rating reflects Charity Navigator's assessment of how the Foundation uses donations, sustains its programs and services, and practices good governance and openness.

TRF-A beacon of hope by Rtn Gulam Vahanvaty, The Rotary Foundation:

We celebrated a subdued Diwali a few days ago. In November, we also celebrated The Rotary Foundation month. Diwali signifies victory of good over evil, light over darkness, knowledge over ignorance, and hope over despair. And isn't 'hope' what our Foundation provides to those who face despair? Yes, Diwali and TRF's objective of doing good in the world are so similar! Diwali is a never-ending quest for light. For many, the light they seek is at the end of the tunnel.

For over a century, TRF has been the torch-bearer which carries the beacon of hope for millions of people. TRF needs you to contribute by monetarily lighting the diya that provides hope for those in the dark tunnel in need of our support. For TRF to continue to do good in the world, it needs contributions, especially to the Annual and Polio Funds.

My fellow Rotarians, it's more than likely that the World Fund for global grants will be exhausted by end December, if not earlier. This only strengthens the fervent appeal to give to the Annual Fund because more money there will mean more in the World Fund.

We, the TRF Trustees, are grateful for your support to the Foundation and recognise that the Trustees must also take steps to address the financial pressure on the World Fund resulting from Rotarians' strong interest in implementing global grants. As a result, the Rotary grants staff has been restructured. This necessitated that some grant files be moved from one regional grants officer to another. Please do confirm who your current regional grants officer is. For many areas, there is no change.

Thank you for your patience as your Foundation staff adjusts to these changing assignments and the increase in files handled by each grants officer. We value your support to our Foundation so that it continues to keep doing good in the world.

THE CLASSIFICATION PRINCIPLE

Virtually all membership in Rotary was based upon 'classification'. Basically classification describes the distinct and recognized business or professional service which the Rotarian renders to society.

The principle of Rotary classification is somewhat more specific and precise. In determining the classification of a Rotarian it is necessary to look at the "principal or recognized business or professional activity of the firm, company or institution" with which an active member is connected or "that which covers his principal and recognized business or professional activity." It should be clearly understood that classifications are determined by activities or services to society rather than by the position held by a particular individual. In other words, if a person is the

president of a bank, he or she is not classified as "bank president" but under the classification "banking."

It is the principal and recognized activity of a business or professional establishment or the individual's principal and recognized business or professional activity that determines the classification to be established and loaned to a qualified person. For example, the permanently employed electrical engineer, insurance adjuster, or business manager of a railroad company, mining company, manufacturing concern, hospital, clinic, etc., may be considered for membership as a representative of the particular work he or she may be doing personally or as a representative of the firm, company, or institution for which the professional service is being done.

The classification principle also permits business and industries to be separated into distinct functions such as manufacturing, distributing, retailing and servicing. Classifications may also be specified as distinct and independent divisions of a large corporation or university within the club's territory, such as a school of business or a school of engineering.

Though the classification principle is not as dominant as it once was it is still important that we make an effort to assure that each Rotary club represents a cross section of the business and professional service of the community.

RCBS Gallery

PP Rtn Meeta Shah was featured virtually on VNM TV Kids channel discussed on the topic "Yoga.. the journey of the self, to the self, through the self". She had explained how one can give importance of yoga in their daily routine life. Each Aasan pose give some message which child can cultivate in his life.
