Vibrant 'Suron ki Holi' Sets a Musical Tone for Rotary Club Meeting

The spirit of Phagun descended upon Surya Palace on 24th February 2026, as our Rotary Club hosted its signature event, "Rang Rasiya & Bollywood Beats: Suron ki Holi." The evening was a masterclass in blending tradition with high-octane celebration, bringing together a large gathering of enthusiastic members and their families.

A Divine Start

The proceedings commenced with a sense of grace as Sgt-at-Arms Rtn. Ashwin Majmundar called the meeting to order. In a soulful opening, Ann Neeta Dhar invoked the blessings of Lord Ram by reciting verses from the *Ramraksha Stotra*, followed by the collective recitation of the Rotary Four-Way Test, reaffirming the club's commitment to ethical leadership.

Presidential Address & Philanthropic Milestones

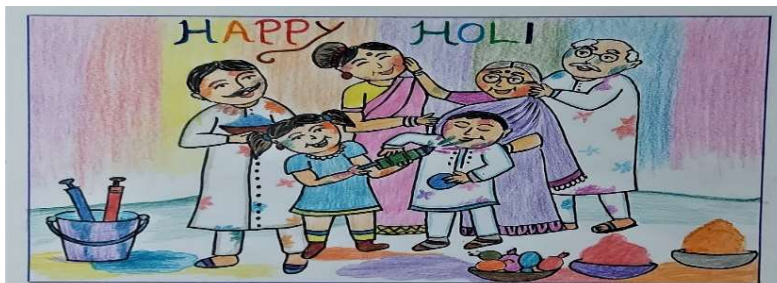

President Rtn. Mitesh Vadhia addressed the assembly, expressing deep gratitude to the Rotarians and Anns for their unwavering support. He highlighted the success of recent service projects and the recent Flag Day event.

In a transparent financial briefing, the President shared an overview of the RCBJ Charitable Trust's available funds. Looking ahead, he proposed several new community initiatives and invited members to collaborate on future projects, ensuring the club's resources continue to create a lasting impact.

Musical Masti: From Braj to Bollywood

The highlight of the evening was the performance by Sh. Hardik Shah and his troupe. The group took the audience on a musical journey, starting with high-energy Bollywood Holi classics that had the room buzzing. The tempo then shifted to the soul-stirring *Rasiyas* of Braj, capturing the divine essence of the festival.

The infectious rhythms eventually led members to the dance floor, where traditional Garba and spontaneous dancing turned the meeting into a joyous fellowship. It was an evening where cinematic energy met spiritual devotion, leaving everyone immersed in the true colours of Holi.
