INTERNATIONAL NEWS

Rtn. Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become **Rotary International’s president for 2022-23**, a ground-breaking selection that will make her the first woman to hold that office in the organization’s 115-year history.

Jones will officially become president-nominee on 1 October if no other candidates challenge her.

Jones says she sees Rotary’s Action Plan as a catalyst for increasing Rotary’s impact.

“As we reflect upon our new strategic priorities, we could have never envisioned that our ability to adapt would become our North Star during what is inarguably the most profound time in recent history,” Jones said in her vision statement. “Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today’s reality.”

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary’s Diversity, Equity, and Inclusion (DEI) Statement. *“I believe that diversity, equity, and inclusion ... begins at the top and for us to realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership,” Jones said. “I will champion double-digit growth in both categories while never losing sight of our entire family.”*

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen’s Diamond Jubilee Medal, and Wayne State University’s Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).
