I am glad to publish the 4<sup>th</sup> Issue of Metro Digest. It's a happiness month as festivals are round the corner. We intend to make the best possible during these times. The New Normal is being indicated by the world and the 1<sup>st</sup> step is to take care of ourselves. Then the family and the Community. Let's us all get to to-gather and make our club more vibrant in these times. Think of a Family Member or a Friend... Talk to them about Rotary and convince them to join our Offline or Online Meetings. I am sure they will love to become a Rotarian in due course.
