Rtn. Gordon R. McNally

RI President

"The goal is to restore hope — to help the world heal from destructive conflicts and, in turn, to help us achieve lasting change for ourselves," McNally said at Rotary's annual training event for incoming district governors.

McNally spoke about a woman he met in Ban Taling Chan, Thailand, where Rotary members helped build houses, a meeting hall, and childcare and health care facilities following the tsunami that devastated South Asia in late 2004. The woman had lost her husband, her daughter, and her son in the tsunami, as well as her livelihood. But she still had a gift to offer McNally: a beautiful seashell.

"She went on to tell me that Rotary... had restored her optimism. We gave her hope," McNally said.

"This is how Rotary brings lasting change to the world," he added, "one restored or newly created hope at a time."

Imm. Past President

First of all I heartily congratulate and convey my best wishes to the incoming President Rtn. Ghanshyambhai Gajera, Hon. Secretary Rtn. Dr. Pratik Mavani and the entire team Saarthi for the Rotary Year 2023-24. I'm sure that under his leadership the Club will attain newer and towering heights.

It has been a proud privilege to lead RC Ankleshwar. My Journey of Rotary Presidentship during 22-23 has been fabulous. It shall forever stay in my heart and in front of my eyes as one of the most remarkable and beautiful year of my life. It has been a fantastic learning experience, with wealth of knowledge and wisdom which I will always treasure. Have I had not lead such a prestigious club viz. Rotary Club of Ankleshwar, I would not have realised what Leadership and Service is all about. My relationships at a personal level are in better place. My understanding about the community needs is at a much broader level. My understanding about team and team-work is at a much mature stature. I've started to imbibe and cultivate within the motto of "Service Above Self" in its true sense. When in Rotary and especially in the leadership role, what is most important and prerequisite is to Serve Serve and Serve keeping everything aside and there lies the Joy of Rotary.

I convey my highest appreciation and deepest gratitude to each and every member of the Club for showing relentless support and love throughout the RY 2022-23. My sincere and heartfelt Thanks to all my seniors and Mentors for guiding me in my journey. The success of our Club would not have been possible without your constant support and motivation. Let's all of together "Imagine Rotary" and "Create Hope in the World" to create a better tomorrow.

With Lots of Love and Regards,
Yours in Rotary, Always!
