PRESIDENT, RY 2025–26

PRESIDENT'S MESSAGE

Dear Fellow Rotarians,

July 2025 reminds us that service is a discipline — a steady rhythm of planning, showing up, and closing the loop with the community we serve.

This month's work reflects a club that does not wait for perfect conditions. We acted across multiple needs, partnered where it helped, and kept a focus on practical outcomes.

Thank you for giving your time and heart. Let's keep raising our consistency — and our clarity.

— *Rtn. Archanaa Choraria*

This Month's Snapshot

ROTARY HABIT

Close the loop

After each activity: share a 3-line recap, a photo, and a next step. It keeps momentum and improves recall.

NGO OPS

Partner checklist

Clarify roles, consent, logistics, and documentation early. It prevents last-minute stress and improves quality.

LEARNING

One metric, monthly

Pick one metric to track each month (beneficiaries, volunteer hours, repeat participation) and review it for 5 minutes.

COMMUNICATION

Make impact visible

A simple before/after photo + one statistic is enough. Consistency beats production value.

CLUB GROWTH & THIS MONTH

Highlights

4 meetings and 24 projects reported for July 2025.

Systems > effort: A small playbook for July

A mix of learning and reflection

Every community organisation eventually learns the same lesson: outcomes improve when work becomes a system. Systems are not bureaucracy – they are reusable decisions: how you plan, who owns follow-up, how you measure results, and how you tell the story.

The best volunteer work is designed, not just done.

In July, it's worth asking one simple question: what should become 'default'? A one-page checklist for each project type. A lightweight budget template. A 15-minute retrospective after every event. Small, repeatable habits quietly raise the quality of everything.

And as a club, it's okay to be proud — then curious. Proud of the reach, curious about the next constraint: volunteer time, coordination, partner capacity, or communication. When you name the constraint, you can design around it.

★ Learning & Inspiration

ROTARY.ORG · PRACTICE

A simple project checklist

Define one outcome, one owner, one partner, one photo-story, and one follow-up date. Repeatable basics beat heroic improvisation.

NGO TOOLKIT · LEARNING

Measure what matters

Track outputs (how many served) and outcomes (what changed). Even a 3-question feedback form improves next month's design.

ROTARY · PEOPLE

Volunteer energy is a budget

Plan recovery weeks. Sustainable clubs protect the calendar as carefully as the treasury.

STORYTELLING

Impact needs a narrative

One beneficiary story + one statistic + one photo is enough. Consistency builds trust faster than perfection.

PARTNERSHIPS

Collaborate to scale

When you can't scale internally, partner with schools, hospitals, and local NGOs. Shared execution reduces friction.

JULY REFLECTION

Retrospective in 15 minutes

After each event: what worked, what surprised us, what to change next time. Tiny loops create big improvements.

“The smallest act of kindness is worth more than the grandest intention.”
