PRESIDENT, RY 2025–26

PRESIDENT'S MESSAGE

Dear Fellow Rotarians,

February was a month of purposeful action — strengthening leadership through Netrutva, investing in skills and learning, and staying committed to health-focused service for children and families.

From awareness on brain health to women empowerment initiatives, thalassemia support, pediatric care, and meaningful recognition of educators and achievers, each effort reflected our club's steady focus on service that is practical and compassionate.

Thank you to every Rotarian who contributed time, resources, and heart. Let's carry this momentum forward into the closing months of the Rotary year.

— *Rtn. Archanaa Choraria*

This Month's Snapshot

ROTARY HABIT

Close the loop

After each activity: share a 3-line recap, a photo, and a next step. It keeps momentum and improves recall.

NGO OPS

Partner checklist

Clarify roles, consent, logistics, and documentation early. It prevents last-minute stress and improves quality.

LEARNING

One metric, monthly

Pick one metric to track each month (beneficiaries, volunteer hours, repeat participation) and review it for 5 minutes.

COMMUNICATION

Make impact visible

A simple before/after photo + one statistic is enough. Consistency beats production value.

TEAM

Rotate leadership gently

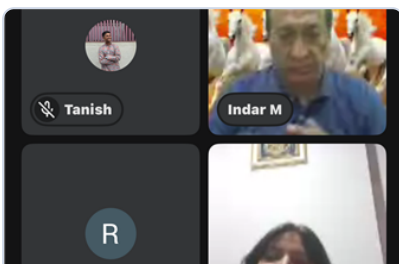

A small monthly rotation (host, reporter, logistics) shares load and keeps energy high without burnout.

EXECUTION

One-page plan

Objective, timeline, budget, volunteers, partners, documentation. If it fits on one page, it gets done.

Service impact scales when clubs partner across generations

Rotary + Rotaract + Interact collaborations continue to prove that shared service builds continuity, skills, and community trust.

Consistency is the Club's Superpower

A short reflection on February's work

Guest Column

Bulletin Desk

February's report shows something simple and powerful: a club does not need perfect conditions to do meaningful work — it needs a habit of showing up.

"Small actions, repeated steadily, become a month of impact."

Across health, education, and community development, this month's projects are a reminder that Rotary's strength is not scale — it is consistency.

Learning & Inspiration

ROTARY.ORG · PRACTICE

A simple project checklist

Define one outcome, one owner, one partner, one photo-story, and one follow-up date. Repeatable basics beat heroic improvisation.

NGO TOOLKIT · LEARNING

Measure what matters

Track outputs (how many served) and outcomes (what changed). Even a 3-question feedback form improves next month's design.

ROTARY · PEOPLE

Volunteer energy is a budget

Plan recovery weeks. Sustainable clubs protect the calendar as carefully as the treasury.

STORYTELLING

Impact needs a narrative

One beneficiary story + one statistic + one photo is enough. Consistency builds trust faster than perfection.

PARTNERSHIPS

Collaborate to scale

When you can't scale internally, partner with schools, hospitals, and local NGOs. Shared execution reduces friction.

SAFEGUARDING

Consent and dignity

Always ask before photographing beneficiaries. Protect privacy; prioritize dignity over publicity.

"The smallest act of kindness is worth more than the grandest intention."
