President's Message

I'm writing to you today in all humility as I assume the position of President of our Club. With three months gone by, it is indeed a challenging role to step into. On behalf of all of us, I thank our former President, Rtn. Jayesh Majithia, for his dedicated service during this period.

I'm excited about the year ahead as our focus will continue to be serving the community, upholding the values of Service Above Self. I am particularly grateful to the Board of Directors for their support, as promised to me.

I also thank Rtn. Reema Wahi for accepting the post of Vice President, which will be a support for the President.

I look forward to ideas and suggestions from our members and Anns for implementation. I'm confident that, with your support, collaboration, and participation, we can continue to make a meaningful impact. I look forward to working alongside each of you to make this a successful and memorable year.

Yours in Rotary,
Sashikala Charles
President
2025-2026

The venue was adorned with traditional flowers, creating a vibrant atmosphere that truly captured the spirit of God's Own Country.

The event's highlights were the captivating folk dances from Kerala, showcasing the region's rich cultural heritage. This was followed by musical entertainment that enthralled the audience, adding a melodious layer to the festivities. However, the crown jewel of the celebration was the Onam Sadhya, a magnificent feast featuring 23 traditional vegetarian dishes.
