Presidents note

The month of September had some great events that were organized by our Rotarians. Notable among them was the Quiz for Interactors conducted by Rtn Latha Rajan and her team from Ma Foi, and the Fellowship. The quiz was enjoyed by one and all who attended the meeting. There were questions from varied topics, audio visual rounds ,as well as a rapid fire round. It was conducted in a manner which would have won the approval of Siddharth Basu! The Fellowship was meticulously planned and executed by the group. Narayanan, Dhanya, Vittal and family, PDG Shyam and Shashi, and all the others put in a lot

of effort to ensure that the event was grand and would be remembered for a long time to come. The Rtns and Anns dressed in traditional attire for Onam, and looked splendid.

Our Rotaractors, MNM Jain College, conducted the blood donation and eye camp at the College. The enthusiasm with which the Rotaractors conducted the event was creditable.

The District organized ROAR, a fun filled outing for Rotarians and their families on the 29th of September. Our Anettes did us proud by winning two events....read on to find out more about this... With the Fund raising and “Vocational Service Award” events round the corner, it was a hectic month involving a number of actions and follow ups. The support and participation of all our Rotarians for the events was good and encouraging. On the issue of attendance, though, I suspect that we had a better participation for our Board meeting than for the regular one’s

As Kerala celebrates Onam to celebrate Mahabali's annual visit from Pathala, Let us get ready to welcome him to see us enjoy at our ONAM fellowship!!!

When Maveli ruled the land,
All the people were equal.
And people were joyful and merry;
They were all free from harm
There was neither anxiety nor sickness,
Deaths of children were unheard of,
There were no lies,
There was neither theft nor deceit,
And no one was false in speech either.
Measures and weights were right;
No one cheated or wronged his neighbor.
When Maveli ruled the land,
All the people formed one casteless race
The Asura King Mahabali's rule is considered the golden era of Kerala.
The King is so much attached to his kingdom that it is believed that he comes annually from the nether world to see his people living happily.

A mind blowing fellowship
