#1 Dist 3230
Mr. ISAK Nazko + Mr. Gury C.K. Young

A group of approximately 20 people are seated at long tables outdoors. In the front row, several men are wearing white shirts, while others are wearing bright green polo shirts with a logo. One man in the foreground is wearing a light blue button-down shirt and light-colored trousers. The people are seated under a large, colorful, patterned canopy that provides shade. The background shows a building with green and white walls and a red-tiled roof. A playground with colorful equipment is visible in the distance.
