Message from the President

Rtn. Siva
President

Greetings!

Planning for a new Rotary year

As we approach the end of our Rotary year, it's time to review our club's performance, and use this as a starting point for a better year in 2013-2014.

Another key point that is a constant focus is how to ensure all members are encouraged to be active in Rotary programs and committees. Every Rotarian should have a job within the club – a role to play. After all, why are we in Rotary? We are here to make a difference. Yes, we enjoy our Rotary service, but that is not enough if we are to make Rotary a priority week after week, year after year. The knowledge that we are having an impact, that we are changing lives – that is what keeps us going, no matter what other demands may compete for our time. And this is why each one of us, however long we have been in Rotary, must always be striving to grow as Rotarians – to find new ways to help others, and to bring about all the positive change we possibly can. For this, more than anything, is what makes our Rotary service worthwhile.

Everybody is busy these days, but individuals like you, who always find time to make sure that the world can become a better place for our children and grand children. Let us all find "Peace through Service" and help in building a better world.

Thanks

Rtn. Siva
