Since its formation, the RLSS (I) has successfully conducted over 5000 "Lifesaving Demonstrations" all over the country. Over 150,000 first aid responders lifesavers and lifeguards have been trained by the Society since its inception in 1998. In Pune alone there are over 4000 lifesaver & lifeguards, who guard pools and other swimming venues to enhanced safety of people. Their deployment has maintained zero death rate in Pune public pools since 2010.
